

THOSE QUEER TRICKS. COOKING TEACHERS. Mary Kyle Dallas on the Writings and Quirks of Children. When do people begin to enter upon those queer performances with their fingers and feet, their eyes and their noses, of which they themselves seem utterly unaware...

It is to these domestic or industrial schools that the woman who aspires to success as a teacher of cookery must go for her equipment. Drexel Institute at Philadelphia has probably the most thoroughly equipped school of cookery, through most of the large cities offer similar opportunities.

Mrs. Phoebe Hearst, wife of Senator Hearst.

the head of his cane or the end of any introduced to language and physiology. small thing he is carrying. It is not safe to say that the most modest working girl for a lady to hold her fan club or church society has its cooking at an evening party.

Everywhere about us are people who branch of domestic art in sure of a much wrinkle their foreheads and purse up most of her professional sisters. Their lips or "wash their hands with impenetrable water."

A Benevolent Woman. Mrs. Phoebe C. Hearst, the widow of a senator, is a woman of but more often the definition of the word intellect and culture, and her benevolence is as broad as human needs.
