We beg the Editors of the Louisiana Gazette (La Fourche) as well as those of the Attakapas Gazette not to forget the name of the Bee at the bottom of the articles, under the head of New-Orleans, which they extract from our paper; not that those articles are of such an importance as to induce us to claim them, but since they are ours we insist on being alone responsi-Sble for them, if that they involve any responsability.

ARISTIPPE is to appear to-night, for the last time, in the splendid character of Leonidas in the tragedy of that name, one of those which have been most warmly received in Franco during the last years. The piece is connected with pleasurable reminiscences both on account of the subject and the fact that Leonidas is the last part created by Talma; it is asserted that Aristippe never witnessed the performance of this tragedy. We have no doubt but that his strong conception will aid him powerfully in the known. The Berlin State Gazette of March 15, developement of the part.
