MISCELLANEOUS.

GRISELDA'S
NEW AND CELEBRATED

JAPANESE LIFE PILLS,
OR
NATURE'S OWN REMEDY.

A Positive Cure for Liver Complaint and Bilious Disorders, Dyspepsia, Rheumatism, Scrofula, Cutaneous Diseases, Fever and Ague, Costiveness, Dysentery and Diarrhœa, Worms, Suppression of the Menses, Nervous Debility, &c.

For a long time we have been compelled to witness with painful emotion the many adulterated and life-destroying drugs made into pills and liquid preparations, and patents using them without knowing their injurious effects upon their systems. This monstrous evil may now be entirely escaped by using only these ANCIENT JAPANESE LIFE PILLS and our Manic Curreous. For many years we have studied hard to find a cathartic which, while it purged, would favor our Sanus, and not carry away *Sensa alone*; would *renovate* and *strengthen*, and no *deplete* and weaken the system.

We have at length accomplished by that this so much sought for remedy—a cathartic of mild and pleasant operation, actually throwing out disease and not more severe, thoroughly purifying the blood, and *immediately* strengthening the system—has been found. They will not only relieve, but positively cure every disease for which they are recommended. These Pills have stood the test of the ingenious Japanese Faculty for centuries, and the same kind of ingredients and the same pills at that ancient time are continued to the present day.

No medicine except our Manic Curreous ever met with such unbounded success. Over 50,000 cases, and the thousands of orders pouring in for them from all parts of the country are wonderful and astonishing! The number of these Pills being constantly required alone for their various complaints constitutes in itself an immense trade. They are not the *"miracle pills"* so much puffed into public notice, which, instead of curing, produce all and dangerous complaints, but are for male or female, old or young, and cure by acting directly on disease.

The Pills are sent by mail, from the proprietor only, on receipt of the price. The postage in the United States, not over 3,000 miles, is fifteen cents on five boxes, which must be inclosed in money or stamps. We are responsible for all moneys sent us by mail.

For sale by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH S. GRISELDA, New York, Sole Proprietor, to whom all letters must be addressed. Also, Proprietor of Dr. *Wesley Granville's Celebrated Magic Ointment*, the great remedy for PULMONARY CONSUMPTION.

HENRY and LASSAIGNE, well known chemists, called upon to make a report on BRIANT'S ANTI-PHLOGISTIC SYRUP before a court of justice, have declared: THAT THIS SYRUP IS PREPARED FROM PLANTS, THE PROPERTIES OF WHICH MAKE IT HIGHLY FAVORABLE TO THE CURE OF DISEASES OF THE CHEST.
