NOTICE.

Sect. 11th Charter of the New Orleans and Carrollton Rail Road Co.

BE IT FURTHER ENACTED, &c.—That if any person or persons shall willfully or by any means whatsoever, injure or destroy any part of said rail road, constructed by said company under this act, or any of their necessary works, buildings, carriages, vehicles or machines, such person or persons so offending, shall each of them, *for every such offence*, forfeit or pay to said company the sum of one hundred dollars, which may be recovered by suit before any court of competent jurisdiction, and shall moreover be liable for all damages occasioned thereby, and may also be proceeded against by indictment, at any time within six months after such offence, committed and punished by a fine not exceeding one thousand dollars, or imprisonment not exceeding twelve months or both.

In consequence of attempts having been made by some evil disposed persons, by placing impediments upon the rail, to obstruct the free passage of the cars, it has been deemed proper to publish, as above, that part of *the charter of the company bearing upon the subject*, and to add, that a liberal reward will be given by the company for the apprehension and conviction of any person or persons so violating or infringing the chartered rights of the company.

GEORGE MERRICK,

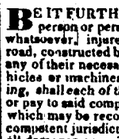
PARISH OF ORLEANS—Court of Probates.

The State of Louisiana—To all whom these presents may concern, greeting:—Know ye, that whereas, Jane Dunn, a resident of the City of New Orleans, has applied to me, W F C Duplessis, Register of Wills, in and for the Parish and City of New Orleans, and ex-officio Clerk of the Court of Probates, in and for the Parish and City of New Orleans aforesaid, for a Monition or Advertisement, in conformity to the Act of the Legislature of the State, entitled "An Act for the further Assurance of Titles to purchasers at Judicial Sales," approved on the 10th March, 1834, notice is hereby given to all whom it may concern, that by virtue of an order of me rendered by the honorable the Court of Probates in and for the Parish and City of New Orleans, State of Louisiana, in the case of Antoine Foucher, sen. vs. the heirs of his deceased wife, for a partition, the landed property hereinafter described was offered for public sale by auction, to operate a partition as aforesaid, by the Sheriff of the Parish of Orleans, on the fourth day of January, one thousand eight hundred and thirty-six, and that the aforenamed John Dunn became the purchaser thereof, he being the last and highest bidder, for the price of three thousand nine hundred and *seventy five* dollars, payable at a credit of one, two and three years, which the sheriff acknowledges to have received in six notes endorsed by Charles Hefferman.

Description of the property, as given in the Judicial Conveyance:

Three lots of ground, being numbers twenty-eight, twenty-nine and thirty-one, in the square number eleven, in faubourg Sauleé, encompassed between Duplantier, Annunciation, Bartholomew and Constance streets, measuring, each, twenty-four feet nine inches five lines front on Duplantier street, by one hundred and twenty seven feet ten inches five lines in depth.

Wherefore, all persons who can set up any right, title or claim in and to the three lots of ground herein described, in consequence of informality in the Order, Decree or Judgment before recited and under which the sale was made, or any irregularity or illegality, in the appraisements or advertisements, in time or manner of sale, or for any other cause or defect whatsoever, are hereby cited and admonished to show cause within *thirty days from the day this Monition is first inserted* in the public papers, why the sale so made as aforesaid, should not be confirmed and homologated in accordance with the application of said purchaser.



WITNESS my hand and the seal of said Court of Probates, this eighteenth day of October, A. D. 1836.
W. F. C. DUPLESSIS,
oct 21 Register of Wills.

TO RAIL ROAD CONTRACTORS,

PROPOSALS will be received *until the 8th day* of December next, for the graduation and masonry of the first ten miles of the Gainesville and Natchez Rail Road. A profile of the route, with plans and specifications of the work, will be exhibited at Gainesville for ten days previous to the time of letting and all other information given, on application to the subscriber or to the Assistant Engineer. Recommendations will be expected in all cases, of persons not known to the officers of the company or to the Engineer.

For the information of persons at distance, it may be remarked, that this road commences at the town of Gainesville on the Tombeckby River, and extends 22 miles south west to Narkeets in the State of Mississippi. The Tombeckby is navigable for Steam Boats the greater portion of the year and having a direct communication with Mobile New Orleans, will afford facilities for procuring the supplies necessary for the hands employed on the work, or for their ready conveyance hither, if procured from a distance. The country through which the road is located, being *perfectly healthy*, and the *mildness of the climate* admitting of operations throughout the winter season renders the contract peculiarly desirable to those wanting winter employment. To an enterprising and energetic contractor the construction of this road offers the prospect of a profitable job.

☞ The National Intelligencer, rail road journal, Boston Daily Avertiser, Cincinnati Gazette, Mobile Register, New Orleans Bee, and Charleston Mercury will each insert the above weekly till 1st December and forward their accounts for payment.
