CTEA.—STEAT RUMORS.—Reports were currently earlier and the subject, embraced in the second volume of Maculay's History of England. We commend the Island, officied a landing, taken the flow arror priseaser, and were in absolute possission of Cuba. There was no small proportion of governments ready to awallow this absurd atory. It is said that the news came from Savanna. In a despatch addressed to a respectable gentiemen of our cuy.

N. P. The Evening Delta hadn't a word about it.

The There Cent Piecs.—We tender our action with the claims after the subject of the subject

There are now nearly two tasses to describe the season is all more insued daily, and means are in constant exercised by the worst, "United States of America," and beneath, "1851." On the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised from the other is the letter C with the cyphers "III" inclosed within it, and the dispens stars studding the exercised within it, and the dispens stars studding the exercised in the contrast of the stars of the complete within the contrast of the stars of the contrast dispense of the stars of the contrast dispense of the stars of the stars of the stars of the contrast dispense of the stars of the

Jenny Lind has recovered from her fatigue in travelling, and will be in fine voice for the concert to-morrow tight. The tickets are selling rapidly, and the proceeds being designed entirely for charitable purposes, I have no doubt the theatre will be filled to overflowing.

Boston, April 30—347. M.

The steamer America sailed to day with one handred and twenty-dive passengers and \$100.000 lag/merican gold and \$300 Mexican dolars. Gen. Wm. H. Whitehead, bearer of despatches to the America.

Several Democratic clerks in the Custom-House have been removed. It is easid that Governor Bouwell is pearing to make a general sweep of the Whigs holding office under the State Government.

Samuel E Sewall, the Free Soil candidate for Congress in the Second District, has withdrawn from the cenvass, and recommends his friends to support M. Rainoul, (Dern.), who, he says, has borne such noble testimony against the fugitive law.

Annovez, April 30.

Six rods of the Erie Railroad track sank yea-

oet.

A Graxd Hatt of Vaeranty are Viz. We was — The Boston Watch and yellor force of Wednesday night, made a descent on the dense and cellars of Ann street, and the Black Sea and arrested minery-four women and grils, and in proceeding the process of the descent on the dense and cellars of Ann street, and the Black Sea and arrested minery-four women and grils, and was proposed in the Police Court, and were generally American grils, known to the police and watch as vile women for months, and some for years. They were moulty fined three dollars and costs, and if not promptly paid, to be extra eduction of New The Situ Tenna of the street of the color of the street of the color of the street of the cells of the street of t off-ace has been given, it has been attened for the London correspondent of the Boston Post, in the only leasible manner in which atonethe cuty feasible manner in which atonement could be made. Better to be sure, would it have been had the British Minister spared his with our wed it for a wisser purpose than to point a grander; but he hisself asserts the innocence of his intention, and we are bound to believe him, as fine gentleman is constrained to accept the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the aerious assurance of another. We distil see that much more can be done, after the containing the after with the rein of a wholesome distribution—a virtue of which he certainly appears to have a "plenuful lack."

South Carolina.—The proceedings of the State Convention exhibit, thus far, a less beliances and the another of the seed of separate state action. They have a method in their madness, and are not without without without without with enough to perceive that unless the Such were united, secession would be ahopedies remedy for far greater wrongs than have been were united, secession would be ahopedies remedy for far greater wrongs than have been only the countries demand and will be within five years; provided that the Hidney and and Potton, the first hid upon up a field for the respectation that the deal of separate State action. They have a method in their madness, and are not without without without without without without with one day of it, if not fourity."

William Penn: a historical biography, from new sources—with an extra chapter on the Macaulay charges—by William Heavourth.

Some were united, secession would be a hopeless remedy for far greater wrongs than have
been yet endured. If the Convention should
agree to submit the question to the people of
the State, we would have no fears of the result.
They are getting to be more enlightened on the
subject, and from many obvious signs, are disrowed to think for themselves, without waiting
lot the que from the leaders, without waiting
but for the separation on the charges of the

English and American Rivers Compared.

—In the memorands of Dr. Breckenridges travels in Europe, some ten years ago, the following anedote occurs.

A gentleman-like and well informed Englishman, who was in the stage coach with me, and who found out I was an American, after dilating on the greatness, the beauties, the majority, in short of this nobless of British rivers, the Thames I concluded to
