I am not a commander of Taliban. I asked my PR to read a statement for me because sometimes my brain doesn't function.

(U//~~FOUO~~) Mr. Manan is a cattleman. He has been a cattleman for four months. He was taking cattle to sell. He formerly owned a grocery shop. He was at (b)(6) house because (b)(6) owes him money. Not like you guys; you're not that good. My house in Marjah is okay. I was away during the fighting but when I came back people were happy with what Americans did. I have parents and siblings.
