MEMORANDUM

THE WHITE HOUSE
WASHINGTON

TOP SECRET/SENSITIVE

July 11, 1974

MEMORANDUM FOR: HENRY A. KISSINGER

FROM: BRENT SCOWCROFT *BS*

Attached is what I would judge to be an inadequate memcon of the President's meeting with Spinola. You will recall that the meeting was Head-to-Head at Spinola's request, since he felt there was no one in his party whom he could trust.

The President was concerned at what Spinola told him. He asked that the memcon be shown to no one but you, Haig and me. He also directed two actions:

(1)

(2) Ambassador Tasca (who the President apparently thinks is the world's expert on subversion) should be tasked to do an initial "think piece" on the contemporary threat of Communist subversion.

I have not taken any steps as yet on either of the above actions. If you concur, I will set them into motion.

Concur _____

Do nothing _____

See me _____
