STEPHEN MAZUREAU, Esq. at the solicitation of a number of his friends, has become a candidate for the Legislature, in place of Gen. Gaimie, resigned.

The northern and eastern mail of vesterday breight New York papers up to the lat inst.-not as has by two days as those received by the Marila, and Kentucky. There is consequently, no later news from Europe than the accounts ment by the Sovereign, which sailed from London on the 20th of December. We publish some extracts to day, from the New York Daily mit, and we will continue them to-morrow. New York papers of the 2d inst. announce that the Liverpool packet of the 24th Dec. was in sight below; a variety of interesting foreign news may therefore be expected by the next mail. We had but a single paper from Washington, which is of the lat, and announces the conclusion of the trial of Judge Peck, which terminated in his ecquittal.

APPOINTMENT BY THE GOVERNOR. George A Waggaman, Secretary of State

THE COLONIAL TRADE BILL.

the recess, on account of the various interests which were involved. During the hollidays he protect the different parties interested.

interests of the different parties.—He trusted to months the regular army will be 500,000 men, the candour of the right Hon. Gentleman to proceed with the bill, if he could not discover a bet-

Mr. G. Robinson complained that the late government had conceded to the United States a. lirect intercourse with the West India colonies. to the injury of our North American colonies. In doing that the late government said that they had acted on the principles of the late Mr. Canuing and Mr. Huskisson, but he denied that same moment; 30,000 troops are marching on such was the case. Mr. Huskisson always declared that he never would concede such a boom to America without receiving an equivalent in return. In 1826. Mr. Canning, in his correspondence with the Minister of the United States said, that he would not allow America to enjoy a direct trade with the West Indies, unless thi country received an equivalent: and it was promised before any arrangement was made all parties should be informed of the nature of it.
But in spite of that promise, a negociation took place and was concluded; and the Canadas were only informed of the fact through the medium of the United States' newspapers. In reading the correspondence which had taken place been received at the British Foreign Office from between Mr. M'Lune, the American agent, and the English Ambassador at Madrid. Lord Aberdeen, he could not help feeling surprised at the arrogant pretensions of America; and he thought the whole affair disgraceful to the British Ministers, under whose auspices it wery small Royalist force, without even firing a was undertaken. But he thought that, if the bill before the House were now postponed, our tranquil.

North American colonies would labour under MAD

choose to impose on the importation of American goods. He had been told, however, and should be glad to know whether he was rightly linus to march toward the frontiers. informed, that Mr. M'Lane had endeavored to re-open a negociation with the present Govern-ment, with the daring object of interfering with the government in the regulation of these du-ties: the consequence of which would be the pre-der of the day: sentation of another schedule of duties to the House after Christmas. He asked the right Hon. Nov. 21. After an obstinate battle, and which Gentleman (Mr. Herries) whether he did not lasted 4 hours, the expeditionary corps of the write out to the Canadas that the schedule in the African army has forced the passage of the Atpresent bill would regulate the rate of duties to las. The battle did not close until night. Iam now be imposed! It was plain on the face of the transaction that he had been out-diplomatized by shall be engaged in chastising severely some Mr. M'Lane; and that, as a consequence, the American intersts would be promoted at the expense of the British. He had no bestility against America; on the contrary, he wished that country well. But still, as an Englishman, he them.' felt it right to watch her attempts at maratime aggrandizement with the closest jealousy; the ra-ther, as her shipping and tonnage, as it was, very Soldiers—The fires of your bivouses, that confidence is that the lead mines in that the, and for appropriations towards improving the standard of the Walash siver, and for appropriation of the Walash siver, and for appropriation of the Walash siver, and for appropriation of the Walash siver, and for appropriations towards improving the wished to know whether there was an announce to Africa the victory which you have any negociation then pending between the Amer- achieved over fi

Sir H. Parnell advised the right Hon. Vice is yours.

You are, soldiers, of the race of the brave. of that measure? The hour of twelve having, now arrived, the rank of impeachment was ogranized, and proclaim of impeachment was ogranized. The matter of impeachment was ogranized and American States, judging by the correspondence laid on the table, and was not, therefore, surprised that America should have in the refore, surprised that America should have in Amelia of time which this case had already son-therefore, surprised that America should have in stated, be thought it was indispensably neces-consequence renewed the negotiations. The consequence renewed the negotiations. The fact, was, the right Hon. Gentleman's measure Court would now proceed to judgment. If ing system, as it was called, though in fact, it Senator felt historif unprepared, or required would be no less injurious to our own than to the interests of the Americans. He could not, would not press his motion; but he would midded, suppose, for a moment that so injudicialist it for their consideration, and if no object closes a measure would receive the sanction of the new government. If he thought so, he should that to his district to move of the sanction of the new government. new government. If he thought so, he should feel it to be his duty to move for a copy of the correspondence that might have taken place be-tween the English and American Ministers in

consequence, and, of course since that measure. Mr. Herrics must appeal to the House whether it was fair to it-to himself-to his late colever, and the article of Impeachment read leagues—or to the question, to thus enter upon an irrelevant discussion on the merits of a meaby the Secretary of the Senate.

an irrelevant discussion on the merits of a measure which it was agreed on all hands should be Court; Senators, you have heard the article postponed. In giving his assent to the postponement by the House of Representaread, and you have heard the evidence and cussion, though anxious to make a few remarks classion, though anxious to make a few remarks on one or two topics involved in the Bill, and yet had no sooner sat down than an attack was pronounce distinctly his judgment, wheth- made on him and the late Government, and as-

General Mina has left Bayonne for Bordeaux where he intends to spend the winter. The Spanish refugees have left their horses

in the arrundissment of Bayonne, and agents are buying more on their account, which shows that they have not abandened all hope of returning to their native land.

It is said there is a plan in contemplation o

cording as circumstances may dictate.

GERMANY.

Letters from Germany state that an insurrec-tion of a most seriours kind has broken out at Hanau, in Hesse Cassel, which was carried on precisely upon the pattern of Paris. The streets were barricaded, the houses fortified, stones and other missiles flung from the windows on the troops who made but little resistance of any kind, and retired from the town, leaving it in the hands of the people. At Frankfort there have hands of the people. At Frankfort there have have a disturbances, the brewers having

with guilty!—
