MISCELLANEOUS.

L. WILLERS'

HAIR INVIGORATOR,

IS EFFECTIVE, SAFE AND ECONOMICAL COMPOUND

FOR RESTORING GRAY HAIR to

its original color, without dyeing, and preventing the Hair from turning gray.

FOR PREVENTING BALDNESS,

and curing it, when there is the least particle of vitality or reparative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR,

imparting to it an unequaled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequaled preparation convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other impurities, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and beautiful appearance, unless the hair is in a loosening and thinning, it will give strength and vigor to the roots, and cause a growth to take place which shall have become bald, causing it to yield a *fresh crop of hair.*

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the *hair from turning gray* until the latest period of life; and in cases where the hair has already changed color, the use of the Invigorator will with certainty *restore it to its original hue,* giving it a dark, glossy appearance, as a perfume for the toilet and a Hair Restorative it is particularly recommended, having an unequaled reference; and the great facilities it affords in *dressing the hair,* which, when moist with the Invigorator, can be dressed in any required fashion and style, where it is desired to be worn curls—hence the great demand for it by the ladies as a *standard toilet article* which cannot be done without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, for the benefit of the children of Hair Indines to baldness. The use of it lays the foundation for a *good head of hair,* as it removes all impurities from the scalp, and in connection with the scalp, the removal of which is necessary both to the hair and the child and the future appearance of the hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown in the glass.

Wholesale Depot, 56 Dey street, and sold by all the principal Merchants and Druggists throughout the world.

Liberal discount to purchasers by the quantity.

I also desire to present to the American public my

New and Improved Instantaneous

LIQUID HAIR DYE,

which, after years of scientific experimenting, I have finally succeeded in bringing to the outer wrapper; also, L. MILLER'S HAIR INVIGORATOR, N. Y., blown to the glass
