Compound Dragees of Santonine,

Approved by Eminent Physicians.

NEW, SAFE AND EFFICACIOUS VERMIFUGE FOR ADULES AND CHILDREN.

This preparation, highly spoken of before the Medical Society for Improvement, of Boston, Mass., June, 1861, combines the first rank among the anthelmintic remedies. Its compound form, the agreeable taste, its purgative powers, and, above all, its sure effect on the Worms, recommend it especially to mothers of families, who daily use it for their children; it is at the same time, and also as a purgative, instead of Castor Oil, Rhubarb Senna, &c.

NOTICE TO THE PUBLIC.

MADAME LA BLANCH,

THE GREATEST CLAIRVOYANT AND SEERESS IN THE WORLD.

Can be Consulted at her Residence,

No. 109 Bienville street.

Nothing is more surprising than to hear a stranger tell one's whole history of a past life, even down to the most minute particulars. Is there one of the many who are consulted her that can deny her superior powers of sight, or that she will lead them, step by step from infancy, recalling, one by one, the most trifling incidents of each year of their lives? What one who has seen her but will admit that she has brought back most vividly to the mind, scenes of youth and treasured friends dead and absent, and circumstances deeply hidden away in the heart, deemed impossible for another to discern? And yet she has, with her remarkable talent, brought it forth from the hidden depths of the heart, and made it have holden him. And those that are afflicted with our terrible diseases should consult this truly wonderful lady at once, for the sums that her predecessor has collected in this city alone, have established for her an unapproachable reputation in her profession.

Madame LA BLANCH'S residence, No. 109 Bienville street, between Carondelet and Dauphin streets, two squares below Canal street.

Consultations given in French and English. Terms for Ladies and Gentlemen, moderate to suit the report. 1 dec6 1m
