Capitalizing on an absurd industry and making pretty cool art at the same time. I get to use my brain, too.

### Basic Information:

<b>Birthday</b>	April 2, 1987
<b>About</b>	I don't know what to write here. About what? My life? See Biography.
<b>Biography</b>	I like photography. And art. I don't own a camera and I'm not the best at pulling concepts out of my bu....rain. So, I let someone else do that:) In a nut shell: I want to write for a living, but also through self-reliance, be able to feed myself. So, I'm capitalizing on my skin suit to help achieve this goal. That is what we, in the biz, call an ulterior motive.
<b>Awards</b>	By the 4th grade, I had achieved over 2000 stickers. Spelling tests. Geography quizzes. Multiplication tables. You name it. I got stickered.
<b>Gender</b>	Female
<b>Personal Information</b>	If you're looking for really sensitive information like my SSN or a routing # to my checking account, inquire within. Stalker's welcome and encouraged.
<b>Personal Interests</b>	Almost all of these boxes are asking me to fill in the same stuff. Facebook creators got real creative by giving them different names.
<b>Email</b>	japril00@gmail.com

Also "like" my Writer Page, so I know without a doubt you really care. Otherwise, J.Buehler will get jealous of J.April and that could get super confusing and dramatic.

I want to get booked for a campaign and look like this girl. Maybe I can write a sweet piece for them PLUS model for them when they need a crazy-looking nutso to advertise the product I wrote for.

Basic Information:

<b>Biography</b>	I need more time to write my biography.
<b>Awards</b>	At a mere 8 years old, I won Bubbiest Personality at the Izaak Walton League camp. I got a bottle of bubble bath.
<b>Gender</b>	Female
<b>Personal Information</b>	Seems a little redundant given the medium that I'm using to write this and that you're using to read this. (i.e. Facebook for the short people--pun intended. think about it).
<b>Personal Interests</b>	Observing. Watching. Judging. Look at the baby look at the baby. (prizes go to anyone who can identify the movie referenced here).
