

AMERICA NEEDS

FREEDOM to PROSPER

because I've worked hard to earn it
because I know how to work the system
because I own the system

because I owe it to society

\$\$\$\$\$

because society has nothing to do with it

because we are in this together

because we are responsible for our own

because they didn't get a fair shot

because they didn't work hard enough

because my Science says

because my God says

because I am a caring person

because I am a good person

because I am hurting

because I have been hurt

\$

because the government should keep its laws off of
my body and my marriage
my guns and my business

because we are too easily divided
because the government is too easily bought
because power is too hard to access

because I want FREEDOM from

discrimination
financial oppression
corporate control
imposed values
stacked odds

FREEDOM from the FEW who OWN US ALL
is why

AMERICA NEEDS

TO OCCUPY TOGETHER
