**ACADEMY OF MUSIC.**—There was another session of the Academy last night. The public character of these sessions is a very good thing, and it is to be regretted that the ladies, who are so numerous in the audience, do not avail themselves more of the opportunity. The program was excellent, and the execution was perfect.

**AMUSEMENTS.**—The Grand Opera Company has just finished their season at the Grand Opera House. Their performance was highly successful, and they have received much praise for their artistry and talent. The company is now preparing for their next season, and it is expected to be equally successful.

**PROSPECTS OF THE COLLEGE.**—The prospects of the college are very bright. The enrollment is increasing steadily, and the quality of the students is improving. The faculty is also expanding, and new buildings are being planned. The college is well equipped for the future, and it is expected to continue to make significant contributions to education.

**TREATMENT BY DR. BOYER, OF PARIS.**—Dr. Boyer's treatment for various ailments is highly regarded. He is known for his expertise in treating conditions such as rheumatism, gout, and neuralgia. His methods are gentle and effective, and he has helped many people find relief from their suffering.

**TOBACCO.**—The tobacco industry is experiencing a period of growth. Demand for high-quality tobacco is increasing, and new products are being developed. Producers are investing in better cultivation techniques and processing methods to meet the market's needs.

**WANTO GUANO BITTERS.**—Wanto Guano Bitters is a popular health tonic. It is known for its ability to strengthen the body and improve overall health. Many people have found it to be a helpful remedy for various ailments, including weakness, nervousness, and indigestion.
