laws, as they still do the second state of the second of t

THE HATURALIMATION LAWS.

Much desire having been manifested to know what Seastor Adams said in sepport of his proposition to modify the existing law of nata; railuration, we publish the following ostiline of his remarks:

On moving the second reading of the bill Mr. Adams stated its objects and the motives which had induced him to present it to the consideration of the Senate. He does not, lith Mr. Tart. Low, of Tennesses, in the House of Represent to the consideration of the Senate. He does not, lith Mr. Tart. Low, of Tennesses, in the House of Represent the law of the 5th of April, 1803; or, like Mr. Sollaws, propose to prevent the emistement of persons of foreign birth in the Army and Navy; he simply desires to extend the period of probation from

leg.
During the past ten days, 15,000 mmn passed the Bosphorus to reinforce the allies.
The United States steamer San Jacinto, left Bordesux on the 90th of November, for Madrid with Mr. Scale on board.
It is announced from Austria, that the bank, are will not great the Railway Companies' loss, unless the Government joins with the Western powers.
