Probabilities of War in Europe — The discovered sigh miles distant. Notwithstand-tourion Times of Jane 25 looks on the present ing the exercions she made for escape by fre-rosition of England in Europe with uncasineds. It is true we are sickles plodged to a creat intervention in Poland nor are we bound to an officience and defensive alliance with France, and yet we seem to have swewed ponewhat from an officient of the property of the property

Dispatches have been received at the Executive office from Gen. Boyle, at Louisville calling for all the troors immediately that Indiana can pare. The facts appear to be these. Gen. Burnide telegraphed Gen. Boyle that Morgan, at the head of four thousand cavelry, had crossed the Cumberland river, near Somerest, vestraday, and it was his retractive to article to article.

CITY INTELLIGENCE.

in the hatch of the drawee in New York ite meet the drafts drawn by him. Coursel did not bring a complaint of his cleant before the Course of the ground that certain drafts had came back to him protested. No! the complaint was based upon the ground that certain drafts had came back to him protested. No! the complaint was based upon the ground that censed had know intelly with mulciose and fraudulently and under false pretences obtained certain sums of money in contrave tion to the state, making it criminal to obtain fraudulently and under false pretences, money, moods or other property. Judge Morgan trged that the processions could not show a studow of fraud or criminal intent, that the bills on New York were drawn in good faith and should be sued on in the civil Courts. Judge Morgan breadly stated that the present proceedings were a miligrant persecution, and if persisted in his cilent would take the ramedy of the law squiest them in a Court tow open. He closed by trging the Court to dismise the cases as without its piradiction.

Judge Hughes decided that necessed had his remedy against the prosecutors, should they proceeds without proper cause, and fixed they proceeds without proper cause, and fixed they remain and the following drafts, which were dishonared.

One dated May 20, one for \$674 25 and an other for \$1175.

Two dated May 20, one for \$674 25 and an other for \$1175.

The prosecutor add that \$1000 of the part The procecutor should the following drafts, which were dehounted.

The procecutor add that \$1000 of the part The procecutor should the process of the same, for \$791.

Two dated May 20, one for \$674 25 and an other for \$1175.
