To the Edi ors of the National Intelligence:
There occurred here on basists bunday an incident which I think Geserves that notice models are the satta of the sat

liev. Mr. Drury, the officiating ciergyman, and presented in person by the wife of our Minister.

I shall never forget the effect of the reading of this prayer for our beloved country and President in an English church, and by efficial authority, in a foreign land. At that part of the service where the prayer for the Fresident is usually read the feelings of the little group of Americans were manifested where the prayer for the President is usually read the feelings of the little group of Americans were manifested where the prayer is the second that he can be supposed that he showed that he resized the full import which showed the beautiful prayer, the venerable oles yman pronounced the well known words:

"O Lord, our Heavenly Father, the high and mighty Ruler of the Universe, who dust from thy throne behold all the dwellers upon earth, most beartily we beseech These with the favor to behold and bleas thy servant, the Prassibent or yrus Universe States. At the conclusion of the prayer there was given an excess trappone, which was jound that he conclusion of the prayer detection in the prayer for the President of the Universe was jound and thus was established congregation; and thus was established congregation; the President of the Universe distinct is to be included in the regular service of any congregation of the Church of England, under official authority and recognition. It may be that absence from our native laud makes every little incident affecting her amater of special interest and concern, and that the feeling of nationality and patriotism present, but was eggent and property of our common country and its Chief Executive.
