LOUISIANA BOARDING SCHOOL,

Under the direction of Mr. Cuvellier.

THE Boarding School is situated on the plantation lately owned and occupied by Mrs. Larondes. No situation in the vicinity of New-Orleans unites more advantages for an establishment of the kind. The buildings are extensive and disposed in a manner the most favorable to the maintenance of interior order. The site although in the immediate neighborhood of the city, affords with regard to healthiness, the same security as a country place; and the locality [illegible] known to need further description.

Those persons who will take the trouble of visiting the establishment, will convince themselves, that it would be almost impossible to find a more eligible spot for the location.

Mr. Cuvellier having for a number of years back, devoted himself to the instruction of youth, and his principles having been appreciated by many respectable heads of families, it would be superfluous to dwell long on that subject. It will suffice to inform the public that the *Louisiana Boarding School* shall be established on the same basis as the college which Mr. Cuvellier has [illegible] superintending with some success for the last six years.

The studies will then, as heretofore consist, for all the pupils, of the French, English and Latin languages.—Those above fifteen years of age, may besides be taught the Spanish.

All the pupils, according to their ages and capacities will follow a course of Mathematics, comprehending Arithmetick, Algebra, Geometry, Trigonometry, Statucks and descriptive Geometry.

The elements of Natural Philosophy and Astronomy will be taught to those young men who shall have followed with success the course of Mathematicks.

Geography and History shall also form a part of the general studies, the teaching of drawing shall be included in the price charged to boarding scholars. The teaching of other ornamental arts shall be paid for separately.

A reduction of price shall be allowed to those families which shall have several children in the establishment.

The only things which the parents or guardians shall have to furnish for their children or wards on their admission as boarding scholars, shall be a mattrass, a pillow, at least two pair of sheets, a blanket, a musqueto bar, and a sufficient quantity of linen and wearing apparel. june 2
