MICHAUX FRECKLE WASH—This remedy for freckles is a discovery of Dr Charles Michaux, of Lamlsburg, formerly professor of anatomy at Lerige, in Flanders, and is believed to be one of the most salutary preparations ever discovered for removing freckles and other affections of the skin—as sunburns, eruptions, morphew, &c. In using it, nothing further is necessary than to bathe the skin affected, night and morning, then wiping it dry with a towel; if it slightly inflames the skin, it will soon subside, but it is not to use in 24 hours.
