THURSDAY MORNING, F.B. 17.

FORTHERM SECROMS.

A friend of ours, who recently returned from New York, gives a sickening picture of the coestition of the colored population in that city. We did not, it is true, require his testimony to prore that nine out of ten ne gross who had their way into the free States are infantly worrs off than they were while in alswer; but the sixtesments of the gentle man confirms all that has been previously advanced on this subject. Every body under stands the exact measure of abolition philanthropy. Its seal and ehergy are put forth exclusively for the purpose of robbing the Southerner of his property. Like most request, the Abolitionists take a peculiar request. The seal of the purpose of robbing the Southerner of his property. Like most request, the Abolitionists take a peculiar value of the purpose of robbing the Southerner of his property. Like most request, the Abolitionists take a peculiar value of the service of the supervisor of the purpose of robbing the Southerner of his property. Like most request, the Abolitionists take a peculiar value of the supervisor of the purpose of robbing the Southerner of his property. Like most request the supervisor of the supervisor of the purpose of the Teasury of the Southerner of the Sout

LOUISIANA ENGINE COMPANY NO. 10'S BALL This worthy company gives a grand civic and fremen's ball at Odd Fellows' Hall or Saturday, the 19th instant. We have to thank the committee of arrangements for tickets, and expect to embrace their invitation.

Sm. C. P. Cranz.—We would agan call attention to Dr. Crane's system of inhalation of electro-chemical and medicated vapors, in the treatment and cure of consumption and all disease of the throat, lungs and airpassages; also to his mode of extracting metals and other foreign substances from the system by electro-chemical baths. The afficted should call at his institute, No. 146 St. Joseph street, and consuit with the Doctor.

SERIOUS DIFFICULTY AT CEPTEMARY COLLEGE.
We learn, says the Baton Rouge Gazette,
that a serious difficulty occurred at Centenary College, Jackson, La., on Saturdaynight last. It appears that a marriage had
taken place at the residence of Professor
Jones, and the boys turned out to give the Jones, and the boys turned out to give the party a chericari. Whilst doing so, they were fired upon with small shot, and four or five of the boys wounded. One of the pupils,—
Brown, from Natchitoches, had an eye put nt. Many of the boys left the college nex

of the New York Evening Pest, in speakof the lebby influence at Washington,
"It is understood that one Who is He?—The Washington correspondent of the New York Evensiap Pest, in speaking of the 16thby influence at Washington, says: "it is understood that one steamship company alone affords to pay all the streamship position in this Government. That official lives in this city in the most extravagant siyle. Be keeps open house, ridee in his private box at the theatre, attends all livees, and gives the most expensive dinners and gives the most expensive dinners and WHO Is Ha?-The Washington corresponand gives the most expensive dinners and between himself. His expenses at the last see sit of Congress are estimated at about twenty five thousand dollars! He is not reckoned a rich man, and his salary is only in a reckoned a rich man, and his salary is only in a relation to the birth-place of Andrew and gives the most expensive dinners and reckoned a rich man, and his salary is only \$3000 per annum. If one steamship company

Borrow, February 8.—Mr. Russell, the pro-pristor of the steam bakery burnt on Sunday, has made application to the authorities for an investigation into the origin of the fire, and a jury has been summoned to prosecute the same.

Immediate measures to rebuild the bakery have been taken—the intention being to make it a stock company, with a capital of 2300, 000. Subscriptions have already been opened at the Merchants' Exchange, Mr. Russell heading the list with a subscription of 232,000.

made:

Harriss—Called by the will of the people
to govern the destinate of Hayti, all my care
and annotates have constantly been for the
welfarout my citizens and the prosperity of
my contract the sections of those who elevated
and the sections of those who elevated
when the sections of those who elevated
and the sections of those who elevated
and the sections of those who elevated

to hesitate in sacrificing myself for the good of all.
I abdicate, and have only one wish, that Hayti may be as happy as my heart has always desired.
Done at Port-an-Prince, 15th of January, 1855, in the 55th year of independence.
[Augnet]
A gentleman at Hayti, writing to a friend in this city, as we!

A sentleman at Hayli, writing to a friend in this city, says:

It is spoken of here as a glorious revolution, as thousands of weapons were drawn, but not a single life lost. Fresident Geffrard is a soldier every inch of him. The Emperor and his partisans have received all the kind-ness and protection that a truly noble and humane man could give them. The mob war ready to tars them to pleese, if they had not been restrained by the President. You will receive enclosed a copy of the abdication. The ext Emperor was escorted by Captain McGres, Captain of Artillery, the President I can't say if the Governor made his escape from the Consulate, on board the Melbourne; popular indignation is very much

issies, and a good deal of gold was found in the Empress and Princess's rooms—the mob took it sk." He has a large amount of money and valisables with him. The Emperor is secompanied by M. Petion Faubert, who is a grandson of Petion, one of the former Presidents. The Emperor requested him to accompany him, and Gen. Gelfrard kindly acceded the favor.

On Saturday last, the transport Melbourne, which had left this port some days before with troops for England, and detained a Hayti some days, resturned, having on boart the sz. Emperor, his family, and suite, consisting of the Empress, two daughters of the Emperor, and their atthe Capital; General Baron Demier, Secretary of State.

On the landing of the party the greater excitement prevailed in town, particularly among the Haytian refugess expatriated by Soulouque axand since his accession, come, whom, it is believed, meditated violence this person; but we should be sorry to, kgo it hat any of them would violate the lacens, once, they themselves had to seek protein. Whatever Boulouque might have been in his own on ountry, and whatever cause is a since of God, we trust will ever way over the index and have a which appears to be the destipy of the swinch and save us from the horrors of a with the set of God, we trust will ever way over the index and the set of the set of the same which appears to be the destipy. his streets to gain a sight of him—ao mio, that a strong escort of the police had se employed to keep of the crowd whist X-Emparor and means
