NEW OBLEANS, MONDAY MORUIG. DECEMP

And the properties of the prop

sider will prevail.

Serious apprehensions are expressed for the fate of the littles steamer "Bann," which is the face of the littles steamer "Bann," which is the face of the littles steamer "Bann," which is the face of the little steamer the little steamer, we should be seen or heard from since. There are various convertible are to what has become of her, but they are all extremely vages and doubtful. This steamer, we learn, was built in the see the little steamer, we leave the steamer that he may have lost her was a four or Prider was four the conjectured by some, that she may have lost her way and gone out to see in the might—liter engine power was very small—hardly guidtleight to steam the wind and ourrens—the steamer that the steam the wind and ourrens—the steamer that the little steam the wind and ourrens—the steamer that the steam the wind and ourrens—the steamer that the stea

of W. W. Buel, Esq., who has taken the contract of the present Congress.

Mr. Estris for yoting the has a six of a breath of the work.

Herstrike Menorial Election.—At an election for Mayor and Aldermen in Hemstelle on the 17th instant, the whole American ended to the high a hardler for Mayor. His unsuccessful opponent was Mill. Bright of the may a hardler for Mayor. His unsuccessful opponent was Mill. Bright of the may a hardler for Mayor. His unsuccessful opponent was Mill. Bright of the may a hardler for Mayor.
