Gentlemen:--

Replying to yours of Nov. 29th., we are sorry to note that the Railroad Company broke one #7 and two #8 fry pans. If these were the round pans, the #7 is worth 13 1/2 cts. and the #8 16 cts, but if the long pans the #7 is worth 27 cts. and the #8, 30 cts. each. We trust this will enable you to make claim against the Railroad Co. and that same when presented will receive proper consideration.

Yours truly,

Odell Hardware Company.
