

# A-ORLEANS BEE,

BULLITT, BULLEN & MAGNUS  
A. D. INDEPENDENT AND PUBLIC COTTON MARTIN.

TUESDAY MORNING, FEB. 25, 1829.

FOR PRESIDENT OF THE UNITED STATES.

HENRY CLAY,

OF KENTUCKY.

Subject to the action of a National Convention.

MR. CLAY'S GREAT SPEECH AGAINST ABSOLUTION is published in a pamphlet form at the office of the BEE where he may be had on application.

We have highly gratified us to announce to our readers that a bill productive of no real benefit to our correspondence "Betwixt" is what we submit to the progress of this important bill until its location.

The advantages it offers the State, as well as its importance to the best interests of the country, the capital of Louisiana—the expanse of the south and west were—so far as they can be disregarded by the legislature.

*Extracts of a letter to Mr. Clay.*

THE IMPRISONMENT FOR DEBT.—

That a rule of harshness, so repulsive to humanity and the enlightened spirit of the times, as is imprisonment for debt, is the jurisprudence of civilized society, is only another proof that the law yet lives in the statute books of some of the states, despite the almost universal opinion of mankind against its policy and justice.

The bill, however, has been introduced.

It is proposed to make it a general law.

It is argued that it is a measure of public economy.

It is argued that it is a measure of public safety.

It is argued that it is a measure of public justice.

It is argued that it is a measure of public welfare.

It is argued that it is a measure of public interest.

It is argued that it is a measure of public convenience.

It is argued that it is a measure of public economy.

It is argued that it is a measure of public safety.

It is argued that it is a measure of public justice.

It is argued that it is a measure of public welfare.

It is argued that it is a measure of public interest.

It is argued that it is a measure of public convenience.

It is argued that it is a measure of public economy.
