LOMBARD & COS
BOSTON AND NEW ORLEANS
Line of Packet Ships.

THIS new line of ships and barks is expressly built to run between the above ports, and will be found of favorable draft of water, accommodations for passengers, and every effort will be used to give general satisfaction. The line is composed of the following vessels:

CHEROKEE, 418 tons, J. Hackley master.
CAROLINE, 470 tons, S. Bennet master.
CHARLESTON, 375 tons, H. Eldridge master.
COLUMBIANA, 625 tons, G. Mather master.
SEAMAN, 240 tons, J. Howes master.
BOMBAY, 615 tons, D. Humphrey master.

The above ships are all new, of first class, copper fastened and coppered by steam, and of great experience and reputation for expeditious and safe passages; and the very best of stores provided for them.

The packets will be towed up and down the Mississippi, and the steamer powerfully connected to the line of sailing, and should the regular vessels be detained by adverse winds, the steamer will be ready to assist in towing the others down. Agents are carefully selected in all the principal cities of the United States, and every effort will be made by the proprietors to accommodate shippers as much as practicable, to receive and forward goods by the first one at the most moderate charges, and to advance all expenses on goods in the port of receipt, if required.

The ships now here, or the United States of every month. For freight or passage, apply to the agents.
