What Dr. Grace, Druggist and Apothecary of several years standing, has done of HILL'S SARSAPARILLA.

Louisville, May 31, 1848

Mr. John Bull—Dear Sir: For a number of years I have been afflicted with a most distressing cough, and could get no relief until I used your Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, for which I am grateful. Yours truly,

CHARLES CHESTNUT.

I have been free from pain for several months, and have not had a cough since I commenced taking your Sarsaparilla. I am satisfied it is the best remedy for Rheumatism in use.

From Wm. T. Preston:

Mr. Bull—I designed to use Sarsaparilla, I will say, that I have used it to some extent in Chronic or Affections of long standing, as Tetter, Liver Complaint, Dyspepsia, Scrofula, Cachexia, and in all cases where the indications of cure were such as to strongly charge on the blood, I found it to be the best. Yours, &c.

Louisville, Ky., August 24, 1847.
