Wed.

Dear Freddy: Hope you haven't ~~been~~ <sup>thought</sup>  
I've forgotten you, but to-date this  
week business has been the order  
of the day. From here on in pleasure  
will assume greater proportions.

I'm leaving tomorrow morning for  
Philly and will be staying at the  
University Club. Why don't I meet  
you at the Bellevue - Stratford at  
12:00 noon. The same location that  
we met Marge Hye. That seems

pretty alright as far as I'm concerned  
and I hope it will meet with your  
approval.

Give my best to everyone in  
The Rapids and I hope to see you  
Saturday.

Best  
Jenny
