Rey & of the infer.—We have lately heard much about the re-cal affair uning with Iraland. Upon a calls and deliberate survey of the whole matter, the real question in our judgment, seems to be—whether we are to have the ropeal of Compoll or of the king's ministers. We say the real question is thin. Shall the repeal take place on the violation of the third, or on that of the fourth and fifth articles of the six of union between Great Britain and Iraland. Hamberly Feb. 12.—The navigation of the Lower Elba, is now predictly recentabled. The ships which have wintered at Continental hame direct from are.

Finthers Feb. 12.—The navigation of the Lower Elba, is now predictly recentabled. The ships which have wintered at Continental hame direct from are.

Finthers Feb. 12.—The navigation of the Lower Elba, is now predictly recentabled to the most part come up to the continental hame direct from are.

Finthers Feb. 12.—The navigation of the Lower Elba, is now predictly recentabled to the same to the content of the six of the content of the person, have for the most part come up to the content of the person, which was promised to months ago.

At this har not been wone, and in the meantime the chambers is necessal of the states of the confederation, have commenced their session, and the question of the presentes all the sense of the content of the content of the person of the person that the sense of the content of the person of the person to the person the recent of the content of the person of the person the recent of the content of the person of the person of the person that the sense of the person of the person of the person that the content of the person of the person that the person of the
