Suit Against Postmuster Lowell. - A suit has been entered in the Sixth District

Precinct Station.

Stablem.—At a o'clock last evening while some working were digarding and wheeling sand for the whartinger from under the wharf, they came across the skeleton of a man buried under the wharf. The supposition is that he had been drowned, and that the body floated under the wharf in high water, and was buried by the setting of the sand.

Rabbeau, Labor 2.

the one hand, the cotton planters we have a second that the fronth has been continuous. The one hand, the cotton planters wen tayored by this weather, the great flawback, for it is to be a great flawback, for it is to be self-by diminished, although the self-by a moise of the door, and be self-by a will be of a superior quality.
