United States bank stock at 1244.

General E. W. Ripley having resigned his seat in the senate of this state from the parishes of East and West Feliciana, Wade H. Richardson has been proposed by the Clinton Olive Branch as a suitable person to succeed him. The proposal meets the concurrence of the St. Francisville phoenis.

The New York Commercial mantions a round about

WASHINGTON, May 25.

Hathe Resists.—The resolution offered yesterday by Mr. Robbins, referring it the consistency of processing an equestrian state of Washington, weather up the agreed to the capitol, washing up the agreed to the capitol, washing up the agreed to the consideration of the bill re-appropriating certain unexpended belances of Indian appropriations, which was disappropriating \$20,000 for the Shawane tribe of Jadiane. Was rejected—ages 70, noce 96.

An amendment app opriating \$150,000 to defray the ex-

uniform 101. qualification; the earl of Falmouth and the marquie of Bristel spoke against the bill; the bishop of London supported the bill; the bishop of Exeter opposed the bill, and somewhat startled their lordships, by telling them that the king could not assent to the bill without deserting the interests of the Irish church, and violating his coronation oath; the hishop of Liandad would vote for the second reading, but hinting, rather vaguely, that he might be for amending it in committee; the marquis of Lane-

a concerted attack, on the part of the papal and A the Presch forces at Ancone. Party spirit had somewhat relaxed at Paris, since the extensive prevalence

Andrews, New Brunswick, from Dublin, has reached us through Scoton papers. We give the news as we find it.

The present secretary of the navy appears to be very active In the discharge of his duties It is mentioned in a Washington letter that another naval force is ordered to characters. On taking away the stone he found a vanit ships, and further facilities are leoked for in our trade with unct, and buckler, much worn with the rule, with an letter in the discharge of his duties. It is mentioned in a just theovered a tunnilary stone covered with unknown characters. On taking away the stone he found a vanit of brick worn, containing two antique awords, a hel-

The ancient relice discovered near Montevideo, mentioned in another article from the National Gasette, are calculated to stagger the greatest credulity, notwithstanding the authority from which the information is derived.

oners appointed to receive stock, was severely consured.

subject of the tariff project of the secretary of the treasury, from the Franklin Gazette. The views of the editor, in great ocean, and cast upon the above of Brazil, marked regard to the triffing diminution of the sugar duty, are discreet, and will command themselves forcibly to the sugar planters who are reasonable in their demands. The other class would do well to remain ber the dog and his shidew.

alloded to yesterday, is one of those wordy documents of solid value as well as paculiar charm of his works, and which it is difficult to give any account, except by republiwrites it is difficult to give any account, except by republication or by extracts. We have room at present for neither.

As, hougher, the bill-which he has reported is based upon on the project of the secretary of the treasury, of which we already made an abstract, it must suffice to point the difference in the details of the bill of Mr. Adams from that of Mr. McLane. All wood, under six casts per pound is on the project of the period of the project of the bill of Mr. Adams from that to both parties, than that which the spirit of patriotism to be almitted free of duty; on all above that price, four cents per pound specific, and 25 per cent. ad valorem, in earl of tan per cent. as by the treasury bill; of coarse landers under 25 cents.

Millerane. All well, under six cists per person of the Melane. All well as per coat. of two discourses, in a secretary of legations. The government of the Melane. The passes of the received person. The passes of the secretary of legations of the secretary of legations. The government of the Melane are contained to the secretary of legations. The government of the Melane are contained to the secretary of the sec comings of the bank and its branches, a constraint of the Courier of Enquirer from the Branches, and sentrary to have, appears to him to be fully disclosed in these papears. He will provide a subscribers, as the office of fiving to these transactions. It is sufficient for the projected encroachments of Present, the Pennipotentiaries of Austria, Franchistic Districts of Austria, Franchists of Austria, Franchist

Mr. Ingless moote the charge with the most unquiling

denial. He says:

"It was never known to me, that the late ecerotary ear ever wrote a line to, or received a letter from the farence with observing-

board at Philadelphia:—nay more the only correspondence of his with the branch handle which mane January, when the relifications of the greaty of the 15th to my intervied me as accept to the Portsmouth. November, 1891, were exchanged with the Belgian N. H., it include the braids beginned there for the payment of paneline, to a time bank, which order, as soon as it was made known to use, being deemed expenses it was left open to the three gottrus of Austria, stary to law! I addressed a letter to the war depart—

So of March, 1833.

The proposed reduction on brown sugar would not materially affect the aught growers of Louisiana; it would eause no alteration in the prices, and they would be much better satisfied, as the scale of daties would be much better satisfied, as the scale of daties would be much better satisfied, as the scale of daties would be much better satisfied, as the scale of daties would be powers they represent, have been expressed. Desires which have induced, and will further induce them to plants for Attakapas, would be entirely satisfied with the proposed reduction; and content with a certain and permanent system, and not content with a certain and permanent system, and not content with extreme properties of Austria, Pressia and Respectation of their breithren of Virginia. permanent system, and not content with extreme propermanent system, and not content with extreme prosection, to the oppression of their brethren of Virginia,

tain work, against the emberson of both the support and support an

The New York Commercial mentions a round about story of a revolution having broken out in Braxil. It is not entitled to much shince.

The latest accounts of the British reform bill are to the evening of the 13th of April. Lord Wynferd opened the sheate in the house of lords that evening, and was speaking at the date of the latest advices. On the previous night of the debate, the earl of Winchelses mit the duke of Buckingham opposed the second reading; the earl of Radinor supported the bill; the bishop of Lincoln would vote for the second reading, but would never consent to a uniform 10! qualification; the earl of Falmouth and the

PERSACOLA, June 2. Jones Shannen, Esq. charge of the United States of America, to Guntimala, with his immily, arrived in his place on the 31st alt. to take passage in the U.S. Ship Vincennes, now lying in the bay. Gdz.

Rumers of cholers at St. Andrews, N. B .- Considerable excitement was produced at St. Andrews; N. Brunswick, a few days since by the arrival of a vessel be for amending it in committee; the marquis of Landdown supported the bill with his creatiability. Should the
second readify be carried, as all seem to anticipate it will
be, it was the intention of the ministers to go into committee on the evening of Monday. It was apprehended,
however, that the anti-reformers, and the half-way reformere, would join forces, and postpone the further consideration, of the bill until after the easter holydays.

By yesteeday's mail we received our files of Paris and
Havre journals, by the packet ship Havre, at New York.
Their contents were anticipated by the New York papers
received by Tuesday's mail. They contradict the report of
a concerted attak, on the part of the papal and Austrian
treops. neon the Prame forces at Ansian.

By the form Dublin which was supposed to have the cholers appointed to examine by the committee appointed to be committee appointed to examine by the committee cappointed to examine the circumstances, it appears that the alasem on board. From their ordinate, and she that the algert was groundless, and the natural properties of the legitimate covering of Portugal.

The regency having represented to ms, by means of a deputation to my assume the circumstances, it appears that the alasem on board. On the second day after the vessel left Dublin, a family of ten persons were taken sick, and eight
of them died. Four other individuals also died on the shaded of the majesty, as her father and submit take upon myself the part which belongs to examine the circumstances, it appears that the alasem on board. On the second day after the vessel left Dublin, a family of ten persons were taken sick, and eight
of the midst the cholers and been on board. On the second day after the vessel left Dublin, a family of ten persons were taken sick, and eight
of the midst the cholers and the cholers and the committee that this
in the affair of her majesty, as her father and until the committee that this
in the affair of her majesty, and shaded on the should be should b

Numerous evidences have left no doubt that the new world was visited by the ancients some centuries before its discovery by Columbus. Without referring to the temples of Mexico, formed upon the same plan as those of Delphos and Pansanias, and bearing the significant name of Teocallia, we find the following in the Universal Gasette of Bogota. "At the village of Dolongs, about two leagues from Montavideo, a pishter has inst the covered a tumnilary stone covered with unknown." earthen amphora of large dimensions. On these remains being shows to father Martines, he succeeded in making out the following words in Greek characters, 'Alexander, son of Philip, was king of Macodon about the 63d Olympiad. In these places Ptolemy - but the ing the authority from which the information is derived.

A riot task place in the quiet city of Philadelphia, on the 21st ultimo, which originated in a scramble for steck in the new Girard bank. A town meeting had been held on the subject, at which the conduct of a majority of the commissioners appointed to receive stock, was severely consented. a cotemporary of Ariatotie! It is probable that Profe-It is with pleasure that we copy a sensible esticle on the my, the well known commander of Alexander's fant driven by tempest into what the ancients called the the event by the erection of this monument? At all events the fact is a subject of great curlosity for the archeologists."—Nat. Gaz.

Rougaigney, f. m. c. à tot of Ground, situated, in Mouracity and manifely and mani pensation, in proper accesses, for the injuries which they have adstained in supporting the rights of the Queen, and adhering to the constitutional charter. One of these papers gives a long and very gratifying abount of the reception of Don Pedro in the island of Texteirs.

M. BLACHE, Re OURT OF PROBATES.—Sake by the substitution of the reception of the reception of Don Pedro in the island of Texteirs. It appears to have been of the most ardent description, and will prove a bitter disappointment to the Migoelites, and soi-disant liberale who had speculated upon a different result. Our private advices from Tercoirs announce that the Conde de Punchal has been accredited by Don Pedro to this court, and his arrival here may be hourly expected. We sincorely trust that he will be immediately recognized, and that our government will take every opportunity through him of promoting the cause of the legitimate accession of Portugal.

in the hands of the regency, considering that body from this moment dissolved. I applaud the members of that attutional charter of the Portoguese monarchy; and when this question shall be received affirmatively. I will take onthe required by the same charter for the exercise of the permanent regency. Let this be under-stood by the regency, and orders be given accordingly. (Signed) DON PEDRO, Dake of Brayana.

Given on board the frigate Reinka de Portugul. Ordered that this he registered and executed, and the cessary notices be given. (Signed)

"MARQUIS DE PALMELA. CONDE DE VILLA FLOR JOZE ANTONIO GERREIRO." [Here follows a proclemation of the same date, mor claratory of the motives of Den Pedro in assuming the regency.]
