SAVANNAH May 10. Fire - The cotton on board the steamboat Pendle ton from Daries lying at Polton's wharf, took fire yes terday morning about 2 o'clock, which, together with the boat, was entirely destroyed. As soon as the fire! was discovered, the host we scat loose, the passergers crime .- N. Y. Cour. & Eng. May 3. and crew, so rapid was its progress, having berred time to effect their escape to the shore. She drift ed with the rising tide, then buil flood, mong the hie play from its fiscenings. She continued beroing for

ne hargage of the passengers being destroyed, together sent to the desired measure, with the ressel and machinery. The cotton (except The Chronicle is stanish 56 beles taken in at Hawkensy lle,) was received on seems to propose a little too much, to secure the acboard from Macon; at the forks of Oconee and Omul- quiescence of its editor. He objects with much appagee rivers. The boat, on which there were no insurement justice, that the accidental tenant has no more Capt. Peck does not know the o tim of the fire. The member of the community; and that if there is to be jugly. ressel arrived about ten o'clock, and at 12, as usual anything like a forleiture Charleston, \$560; 33 do. Augusta Insurance Company, \$924, Tatalloss of cotton about \$20,000. Since the above was in type, we learn that 277 bales seduently its loss is but about \$10,000.

FI OM INLIA We received yesterday, says the New York Courier, papers from Calcutta to the 24th December last. We find that, at the lat at date, two British ships of war wegs on the eve of sailing from Madras with a considerable body of troops, attended by a train of guns, for the purpose of establishing the British power

contact with some of the hordes of this race; the fact church, nor laws of primogeniture; and is an evi-

be no doubt that the British troops employed are suffi-cient to chastise the chief with whom they are at vari-and bargain driving, imparts to its pussessors none of ance, and drive him from his settlement; that he will the generous character of an arismoracy." We can leave behind him a depopulated country, and that when understand that a Quarterly Reviewer should thus dishe Malay charicter, can pretend to determine the exent to which they may be carried; or the consequences which may follow.

From the Pittsburg Gazette. ANOTHER STEAMS AT BERNT OF Friday evening last, at about 7 of cock, the steamhost Dolphin, featner ly the Tri Color, on her passage up, took fire at Captake was educely consumed. Fo tauntely there were no passengers on board, so no lives were lost. Part of

From th National & telligencer.

WASHINGTON CITY, May 2d, 1832. Mesers. Editors: In your paper of this morning is counse d to their people to make a treaty with the government, &c. and will either obtain power from of Richmond, Indiana, has put forth the following ad home or retire to New Echota to enter into the ar- wertisement.

The delegation regret extremely that such a state thas found its way into the papers, or that suc'i om ression has been made by anything which may ave fallen from either of t em in their conversations whe subject. Gentlemen of high respectation you we or various times, proved proon there is the necessity of ad justing their difficulties by a treaty with the govern inguit but at no time have the delogation openly or by implied no. , given their consent to advise their people to that courses and because they have distented to the segestions of gentlem a on the subject, it is narra-suable to suppose they adopt as their own sent me its whatever is said. Respectfully, s. c. W. S. GOODEY,

In behalf of the Cherokee Delegation,

VERSALLES. HEWLETT & RASPILLER AND DOMINGON, Muctioneers,
VII.I. sell at auction, at the New Exchange, of

Saturday, 26th instant, at noon, A PORTION OF THE LANDS of said plantation, situated six miles below town, at

A plan of the property will be exhibited at the Ex-change several days previous to the day of sale, and the amateurs of agreeable locations for country seats, are requested to visit the spot, where all the informa-

The division of property is made in lots of about one arpent front by six in depth, more or less according to their situation. A part are fronting the river and will be sold with the privilege to the extensive batture. The height of the land is such that little or no levee is required. The other lots, one of which is 3 acres by about six in depth with the extensive mansion. ldings and garden of the plantation, fronting De La Ronde and Lake Borgne's avenues, each fifty feet wide, with sighty feet between them, reserved in the centre of the plantation for the canal of Versailles, intended to communicate from the river to the beautiful bayou Bienvenu, which empties itself into Bourne. By referring to the maps of the vicinity of New Or leans it is evident that this spot is one among the very few that admits of the practicability of the execution of this so much wished for and necessary improvement, there being but a small portion of cypress swamp on the line of the canal which meets the bayon, of about 100 acrea from the river, and being there 18 to 20 feet credit for approved endorsed paper secured by mortdeep, and sa wide, that it might rightly be called a gage until final payment.

In the arrangement of this plan the proprietor bas reserved for the common use, draining ditches and ands on the limits of Messrs. Bienvenu and Laconte's plantations, and secured to the purchasers the practicaability of rendering their has convenient, agreeable and useful. It is not necessary to remark that persons wishing to secure country seats, by locating on this spot of ground, will not have the inconvenience of the sunin going to town in the morning and returning in the evening

The sale is made at 1, 2, and 3 years credit from the 20th March last, payable in notes satisfactorily endorsed, domiciliated in the town and bearing morigage. The deeds of sale will be passed before L.T. Caire. esq, not pub. at the expense of the purchasers, m. 16
