### PAT'S FIRST THOUGHT.

at the Horses Dught is the thie to Quirum the Singe, and He Minde Them Du H.

Back in the good chi days when some one call railroads were Bille known, as old viage road can from Lake Camptain to Ordersburg, N. 1, passing through the little town of Scoton. This village method in a valley between two grant Bill, over which the white ribbon of the road women steephy, 843 Lippincott's.

ribbon of the road wound steeph, 228.
Lippineutic.
Upon one of the strips of the stage the regular divers, who had been at least regular divers, who had been at least regular divers, who had been an illusty, was riding inside while the red-haired, multi-restured, big-doued Irishman acting as his substitute overped the driver's sent upon the too. The day was a boantiful one and the corn was the responsible of the responsible of the responsibility of the respo

# WHOLESOME SALADS.

es for the Guldanes of Those Un-Initiated into the Art of Pre-paring Them.

states for the faithance of Those Unitarity that the Art of Free paring Them.

To gives a salad, put the letture, eldicary or whatever vegenthe is to be used, perfectly whether control and the large enough to hold it without breaking the crip lengths. It a large glass houl can be provided it adds much to the beauty of a saind, any Good Househoping. Serve on a silver tray with the oil and viagar cruets, sait and pepper and a saind fork and spoon.

The saint spoon was a saint of the saint of the leaves are lists wer with the sine-gar, the oil will not altered by the fair of the large glass of the leaves are lists wer with the vine-gar, the oil will not describe but run to the hottom of the houl, making a saind which tractes only of viagar, pepper and sait. For this same reason the letture must be perfectly girl for at he oil will not coat it properly. Set the Petture or divide the saind perfectly girl for the soil will not coat it properly. Set the Petture or divide the saind spoon over the bowl; into it shalls come pepper and sait, then fill the spoon with oil. Allow this to appinde some the beauty of the saind spoon over the bowl; into it shalls come pepper and sait, then fill the spoon with oil. Allow this to appinde some the leavest of the saind people in the saind of the saind white gar may be varied to sait the tanding. Hen the spoon must fork down the sare, The proportions of oil and vine-gar, may be varied to sait the taste. Peur pertu of oil to oue of the gar may be varied to sait the taste, the sain she whet the Proportion of oil and vine-gar, in the sain of the saind too with half a cut online on sprinkling the letture with fall place. Afterward, be liked by lovers of oil.

A very dictate favor of garlie is liked in Makwhat the Pronch call a chapon. Rub act garlie over a cube of stale bread and tosa it with the saind while dressing it.
