So much have their own affairs racter of the present Givernment of Portuto learn, that the legal proceedings at Lisbeen as irregular, and conterry to the ordinary provide and constitution " the courts appointed keep up this new direction of public feeling, reprinciple and constitution of the courts appointed the decide on such matters, as the original outer decide on such matters, as the original outer of insurrections in various parts were current at the same time. According to one of the hard have of nations. The frigates which have them, disturbances had broken out at Turing the matter of the frigates was in a of giow, for the last named wrong, but the irappeared to rest upon no authority. The Temps regularities of the subsequent condomnation by quotes letters from Naples of the 18th August, when the award had once been made, to be that time events in the French capital were beyond all remedy for the parties immediately many there. The ecounts from Spain are of the parties in the capital were beyond all remedy for the parties immediately many there. The ecounts from Spain are of the parties in the capital were beginning that it is the content of the capital were beginning that it is the capital were him, as it appears by letters received from Lis-

perticipate; while the Antocrat of the north, somethin the ignorance of his people, may look calmly at the distinctives which encompass his

of France be acknowledged by the Courts of Eu-rope! The people of England have already gi-ven a tone to the Wellington administration. and William the IV. has long since with his termined to "die guma." indeed to provoke his termined to "die guma." indeed to provoke his PHILIP I. The course of for England was a claim to good souse will suffer by this partie distinct a rowse on the Continue desiration. plain one, and she had nothing it four in adinow-ledging a power on the Continent, similarly con-stituted to herself; not so however with the Condifficulties encompass them. If they consult their wishes, and refuse to acknowledge the govbringing freight from Distance to the West-Indies. and probability, be arrayed against them. If, on the the first of the efform of the police, all contrary, they recognise Louis Philip as King of the French, these very subjects will builty to Queluz, where he has shut himself up. Notwithstanding all the efform of the police, all contrary, they recognise Louis Philip as King of the French, these very subjects will builty to news from Paris transpire, and has quite contend that they are justly entitled to all that they are justly entitled to all that they are justly entitled. The consternation of the government their despotic roasters have given the people of France. With these expectations they will not quietly submit to the present order of things, &c circumstances, what will be their denomination it is impossible to say; but we venture to predict that they will follow the example set them by England, with all convenient speed. In doing so. Thios. Citizen, that application is to be made to they may flutter themselves with the hope of qui-the New York Legislature, at its next session, for eting the excitement of their subjects but in this eting the excitement of their subjects but in this they will be mistaken. To us, nothing which is buried in the womb of time, is more certain, than that the flame of liberty which has been kindled in France, will continue to burn with undiminished brightest—giving roustitutions to the Monarchies and despotisms of Europe and rational liberty and happiness to its inhabitants.

The day of reckoning has come with the perfidious kings, who promised Constitutional governments to their people if they would assist them in their regal conspiracy against the master spirit of the age. Heedless of their plighted faith and secure in the destruction of Napoleon's power, instead of granting the promised consitutions they but rivited stronger the chains of despotism apon their oppressed subjects, and they must now atone for their conduct. For fifteen years has Austria, under the guidance of Metternich, enderivoured to destroy the mind of man, by with-The West India Ports are now open. The cring the energies of his nature with the iron prosident has opened our ports, and until the haid of despotism. The fair provinces of Italy, under his administration, irosont but a wretched and benighted waste; the land that gave birth to have reached the West Indies, the West India the greatest sages of antiquity—the favoured soi of freedom, is now the residence of the slaves of Austria. But we repeat the day of retribution is at hand; the spirit of Liberty is abrued, and she will not again withdraw from the inhabitants. of Europe, but nobly revenge homelf upon the

confirm us in all our anticipations of the bei verted into ideois before we can thus become ido- which the civilized world must derive from the late revolution in I'rance.

Erom the Landon Herald, Sept. 1.

According to the Paris papers which reached question of some commercial as well as us last nigt the utmost tranxuility prevailed all assumed a settled aspect, and such deep root has ment—the advantages likely to result to the inthe new system already taken, that the French begin to look at the concerns of their neighbors with more feverish interest than their own. To with more feverish interest than their own. To keep up this new direction of public feeling, reports of insurrections in various parts were current at the same time. According to one of them, disturbances had broken out at Turin; whilst, according to another, Naples was in a been despetched to the Tagus may perhaps whilst according to another. Naples was in a find means to obtain redress, in a national point complete state of revolution; but both of them beyond all remedy for the parties inimetating harmonic there. The accounts from opinion of the parties and the second that in a contradictory character, some stating that in the second contradictory character, some stat faritiest condemnation at Lishon of gessels de in the mean time, the conduct of the Spanish in the Portuguese squadron of Perceira government, which evinces both hear and indominant that of the Beston. The party so whom he has been awarded under that condemnation, cession, and in the next tourards coercive measures. This vaciliation, if true will prove its bon, fitted her out under a new name, the Variation, for revolutions are now the works of days, lesse, and she has actually been characted on a and even hours, and not, as formerly, of years, lente, and she has actually been characted on a sorting to their which port she sailed on the 26th alt. As soon as the fact became known, the original owners of the vessels determined on institute some effect for the secretary of their oppressors: and as the she or popular resistance, to have recourse to the most prompt and vigorous remedies, so the sound as sho may active, on the ground that the consistent and a lent from the book of their oppressors: and as the first property and orders have been sent, we understand, to Hall, to detain the vessels of popular resistance, to have recourse to the most prompt and vigorous remedies, so the some as sho may active, on the ground that the consistent and a lent from the book of their oppressors: and as these have made it a common practice, in every case of popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to the most prompt and vigorous remedies, so the popular resistance, to have recourse to destines will be raised for the interference and from the interference and from the interference and from the fact of Charles the Tenth; it being an indeniable fact, that the spirit which is now about will be found in one shape or other to about the fact of the said that the spirit which is now about will, of course, be one of about the fact of the said that the spirit which is now about the point, which will, of course, be one of about does not desire change from any unward the point, which will, of course, be one of about the point, which will, of course, be one of about the point, which will, of course, be one of about the point, which will, of course, be one of about the point, which will, of course, be one of about the point of the great interest and importance to the whole companies love of improvement. There is not the importance to the whole companies love of improvement. There is not the importance in the importance of the importance in the importance of the importance

destine at length arrived, which shall confer upon the circle and religious liberty; and scatter to the district of liberty been more tempered to the first state of liberty been more tempered to the hand liberty li

trated the pacific views of the French govern-

ment. In Paris all is tranquil. The government h working with uncoming energy, to reform all the public departments. Some men, in a tone of mingled distribution, apart that the dismismingrest entranction, appear. The the control sale from office of the employers of the late government are not sufficiently sweeping; while others, with more reason; complain that men of unquestionable integrity—of approved political principles, of talent, of experience, and of finess for office are set adrift, to make room for the favorites of influential personages, on the ground that they had beld price under Prince Polignac. This is, however, a subject with which we foreigners have nothing to do.

The imprisoned ex-ministers underwent yes terday a long examination by the commissioners of the Chamber of Deputies. Preparent appears, by his hautour his spadied sussempt of and insolence m, the Nacional Guards, to be de-

LISBON, August 14. The late events in France have obliged Don Miguel to give up his prospect of passing several days at Caldas, Arleobarca, and other villages ernment of France, their own subjects will in all cealed. The consternation of the government was such that it has not even thought of any preparation for the festival of the Assumption, which a generally celebrated at court with great solemnity. Numerous patroles of soldiers of the po-lice are continually going through the town night and day. Some arrests have already ta-ken place. Not a single soldier of the light is so be seen in the streets; all the regiments remain to the barracks and pass the night under areas. The change was quite graditude, during the last few days; it is even in red that it will be ann.
Yesterday a vessel arrived at Oporto, with 133 individuals condomned to transportation, and the greatest part of them on account of their political

> SPAIN. The National Guzette says: According to the N. York Courrier des Etats-Unis, of Oct. 7. it is announced in private letters received at New-York, from respectable acurees, that the Spanish Constitutional Generals had met in raune to concert a revolution in their country, Mina was to operate in Navarre, Milans in Catsuspected.

ROSTON, Oct. 7. Connecticut River .- A convention of delegutes from the several town on Confectious river, sassembled at Windsor, Va. last work. Nearly ninety thingstes, embracing individuals of the first respectability for talents and enterprise, were present. Hon. Wm. Hall, of Rocking-hum, presided, and Gen. J. N. Cushums and Dr. E. S. Trask seted as Secretaries. The gation of the river, the most feasible mode of removing those obstacles, and of obtaining the funds for that purpose—the existing rates of toll at the several locks and canals, an what reduction, if any, could be expected, if the channel of the river were improved the amount of exports from, and impurts into the Connecticut river valley, the expense of the present mode o transportation, and the reduction that would probably be effected by the contemplated improvehabitants of the valley, from the catablishment of a regular line of freight and passage boats, and the best means of obtaining funds for that object ported by a committee, and unanimous adopted requesting aid in improving the navigation of the river. Proposals are to be solicited immediate ly, for contracts to clear away the sandbars and other obstruction. It is thought that within a twelvemonth, a duly line of steam bould will ply between Harsford, Con. and Barner, Vt. and that the price of freight from the scaboard will be reduced 25 or 30 per cent.

Napoleon and his Writing-Master .- From after the first Consul's return to Malmaison, an individual in most unpretending attire solicited a private audience. He was instantly ushered into the order in which drawn will be entitled the calinet of Hapoleon, who demanded his to a prize of the college of Hapoleon, it had former what intimidated by his presence, it had former by the honour of giving you lessons in writing at the college of Brienne, "And a respectable pantum you have made of me," exclaimed the first Consul, interrupting himistarply: "your publication will each be entitled to a prize of the college of Brienne," "And a respectable pantum you have made of me," exclaimed the first Consul, interrupting himistarply: "your publication will each be entitled to a prize of the college of Brienne, "And a respectable pantum you have made of me," exclaimed the first college of Brienne, "the made of the college of Brienne, "And a respectable pantum you have made of me," exclaimed the first college of Brienne, "the made of the college of Brienne, "the college of Brienne, "th after the first Consul's return to Malinaison, an prize of Consul, interrupting himstarply: 'your pupil's will each be entitled to a prize of progress does you infinite credit!" Then length Those six other fickets, having at his own hastiness, he addressed the good let, 2d see 4th drawn numbers, and a linder that the state of the state man in a kinder tone to make amends for his first order drawn, will each be entitled to a sally, the abruptaces of which had considerably national the timility of the calligraphic man. supported the imidity of the calligraphic pany feace. In a few days the writing-imager received of from unquestionably, the manual of all his former pupies at Brienne (Nappleon and Bell legible hand writing was proverbial) a penal-on set of the high proverbial and control of the high proverbial
