SUBJECT: 17 September 2009 Detainee Review Board (DRB) Recommendation of Approval

1. I have reviewed the findings and recommendations of the DRB conducted on 17 September 2009 concerning the internment of Detainee ISN 3818. The DRB found:

a. that ISN 3818 is a person who was part of, or substantially supported, Taliban or al-Qaida forces or associated forces that are engaged in hostilities against the United States or its coalition partners, including any person who has committed a belligerent act, or has directly supported hostilities, in aid of such enemy armed forces.

b. It further found that internment is not necessary to mitigate the threat ISN 3818 poses; and

c. that ISN 3818 is not an enduring security threat.

2. The board recommended ISN 3818, as a non-Afghan and non-U.S. third-country national, be transferred to a third country for participation in a reconciliation program. At his board, he explained that he was lied to by the Taliban about Americans and if released he will tell everyone of the good treatment he received from the Americans.

3. I recommend the repatriation of ISN 3818 to Pakistan for participation in a reconciliation program.

1. I reviewed the findings and recommendation of the DRB conducted on 6 January 2010 concerning the internment of Detainee ISN 4232. After careful consideration, the DRB's recommendation that ISN 4232 continue to be detained at the Detention Facility in Parwan is approved. The reporting reflects participation in the setting up of an IED on the occasion of his apprehension. It is possible that he was there to film the detonation as he had a camera at the time. There is no other reporting on this detainee. Because of the strength of the case, coupled with this detainee's low level contribution to the insurgency, I direct that the case be processed for the Aloko Commission.
