SUGAR LANDS FOR SALE.
TWO handsome tracts of land adjoining each
other, one 31 arpents, the other 14 arpents
on the river, by 40 in depth, situate in the parish
of Plaquemine, left bank of the river, distant about
one mile from the plantation of Mr. Williams, and
30 miles from town.
The tract of 31 arpents is covered with wood
down the river, furnishing good fuel as well as
cypress. Of the tract of 14 arpents front, about
100 arpents cleared, and can be worked and cul-
tivated immediately. The two united would form
a very handsome Sugar Estate.
The experience of many years shows that the
sugar cane succeeds better in this parish than in
any other part of Louisiana; that it yields better
and in much less subject to frost. The rolling
season is generally prolonged to the last days in
January without inconvenience. There are now in
this parish 22 Sugar Plantations, some of which
have not more than from 20 to 30 work ing hands;
and yet this parish during the present season will
produce near eight millions pounds of sugar.
Seven steam boats are built or building for the
purpose of towing vessels between the Balize and
New-Orleans, which secures a good price for the
fire wood and makes an important revenue from
the uncleared land.
The above tracts of land will be sold together
or separately as may suit purchasers, and a long
credit will be given on proper security.
For further information, as well as for terms and
price, apply to Mrs. A. Abut and Eugénie Mécary
or to Mr. C. B. Dufan, in New-Orleans, or on the
in the parish of Plaquemine.

REMOVAL.
SULPHUROUS BATHS.
DOCTOR RENO, has the honor
of informing his colleagues and the
inhabitants of New-Orleans and of Louisi-
ana, that he has removed his establishment
of Sulphurous Baths from 31 Ann Street,
No. 122 to Barakus Street No. 156, at the
corner of Burgundy in the house lately oc-
cupied by Dr. Formento.
It is generally known, how much benefit
is obtained by sulphurous bath in cutane-
ous diseases, rheumatic complaints, psais
and other serious complaints, it is need-
less to quote here the numerous instances of
immediate cure and relief afforded by the
application of that remedy.
Mr. Renou has availed himself of his re-
moval, in constructing a new apparatus
and making his establishment free from
any kind of reproach that could have been
made to the former one.
The room for the reception of white
people is totally separate from the one fix-
ed for negroes.
His new lodgings afford him the means
of receiving certain number of sick per-
sons wishing to board at his house.
He has provided a spacious hospital, and
his house being situated in a retired part
of the town less crowded with houses than
others, makes the situation perfectly
wholesome.
Prices for 12 Baths, . . . \$ 16 ,,

For treatment of negroes per day, 1
Doctor Renou will however take with
the persons who will apply to him all pos-
sible arrangements.
During the last year of his practice in
Paris, Doctor Renou has been intimate
with the celebrated Dr. Ducamp inventor
of the most efficient method of curing is-
churgs (retention of urine,) and he had es-
pecially addicted himself to the treatment
of that disease; he has now in his posses-
sion a complete collection of all the instru-
ments necessary thereto. He may ensure
to those persons affected with the above
complaint, who will apply to him, a prompt
and safe cure from his method of treat-
ment.
