dent of the Board, WM. PRICE, Z. ANDERSON, THOS. D. BELL, D. SPRING,

The undersigned Merchants, Lawyers, and clargymen; of Hagerstown, Md. do cheerfully concur in opinion with the trustees of the Hagerstown Academy, who have signed the above certificate in favor of Professer P. Tronchin. G. Hager, Jacob Rausler, W. C. Drury, Edward Fitzpatrick, R. W. Randall, A. Johnson, R. M. Tidball, Parker Blood, Robert B. Drane, Wm. M. Marshall.

HAGERSTOWN ACADEMY, MAY 4th, 1820. Doctor Adrain, principal of the Pennsylvanic University, Philadelphia.

DEAR SIR: -Allow me to introduce to you the bourer of this letter. Professor Tronchin our Academy. Professor Trunchin visits Piniadelphia with a view of making an engagement in that city as teacher of the English. French and Spanish languages, as the intronsige here in those studies is found hardly sufficient to give him a suitable salary.

Previous to our inviting Mr. Tropchin to this Academy, I conversed with Professor Value and Professor Fay, of New York, on the subject of his qualifications to teach the modern languages -Professor Value assured me that he was bet ter qualified to teach the French language than my other instructor he was acquainted with in New York; and Professor Fay gars me an ac-count quite as satisfactory of his ability to teach the Spanish language. Besides these recom-mendations, Mr. Pronchin produced to our Board of Trustees, the most satisfactory testimontals from other competant judges; of his ability to seach the languages he professes, I mention these facts to give you a knowledge of the testinony we had of Mr. Tronchin's qualifications before we invited him to our Institution; and I can cheerfully add, that the success of those pirils of preeminary who have been under his astruction, has entirely justified the high opinion of those who knew him best in New York. Ire rust very much to part with him from our institution; but from the cause I have mentioned a gentleman, and dignified; and I leet much excem for his character every way. His knowlelge of the English language is uncommonly good, and he would be able to make himself useful in almost any school. In penipanship he vecels; and he possesses a practical acquainance with the business of a counting uid him in any manner in his views in your city, you will confer a great favor on , me, and some one whom I think worshy of your kind utilices. I shall be pleased if you introduce him to my friend Doctor De Lancey; and perhaps if you make him acquainted with Mr. Johnson, of the High school, it may promote his interest.

In house I romain, dear air, Your obedt, servan Principal of the Hagerstown Academy. HAGBROTOWN, MAY 4th, 1830. To Mr. B Tronchin-
