

# (SAMPLE) WIKIPEDIAN-IN-RESIDENCE SCOPE DIAGRAM FOR A GLAM-WIKIMEDIA PARTNERSHIP

# NARRATIVE: WIKIPEDIAN-IN-RESIDENCE SCOPE DIAGRAM

## SPONSOR: GLAM PROFESSIONAL

The sponsor supervises the Wikipedian-in-residence (WIR). They typically hold a managerial position in the GLAM and they have the responsibility of pushing the WIR's projects forward. They assist with getting buy-in from other staff + advocating for GLAM-WIKI in their institution + sometimes beyond. They receive a project plan + updates from the WIR.

## GLAM STAFF

Staff at the GLAM include curators, librarians, archivists, educators, scientists, + tech + web experts. They provide their expertise, images + content to the WIR to organize. They receive increased visibility + access to their collections, as well as a new understanding of Wikipedia through brown bags + other events led by the WIR.

## WIKIMEDIA VOLUNTEERS

Wikimedians include any volunteers on the projects who provide time for content creation + other on-wiki work. They receive the organized GLAM resources + distribute them throughout the projects. They also receive perks through GLAM events like Backstage Passes + EditATHONs.

## GLAM-WIKI COMMUNITY

The GLAM-WIKI community receives new documentation from the WIR, as well as outreach + advocacy for the Movement. They provide outreach resources for the WIR to use at events. They also distribute information + promote the WIR's work through a newsletter, lists, + social media.

\*WIKIPEDIANS IN RESIDENCE\* SERVE AS LIAISONS BETWEEN A GLAM + THE WIKIPEDIA COMMUNITY IN ORDER TO PROMOTE UNDERSTANDING & SHARE VALUABLE RESOURCES.
