The Penancola Land Company and the Pensacola Association are composed of gentlemen residing at l'hiladelphia, New York, and Penancola, of respectations, intelligence and large capital, who are determined to make Penancola what mature assems to have designed at to be, a great Commercial Mart, by consisting it with the rich regions of Alabama and Georgia.

The Rail roads now in progress and to be commonced, opening great lines of inter-communication innote indit to prove most favorable to the interests of Pessacola, and to offer great inducements to persons of small means as well as large capitalists to make good investments.
