NEW BEANS BEE

BY J. T. MAGNE & CO.

FOR THE PEOPLE OF THE UNITED STATES

HENRY CLAY

(Subject to the Will of the American People)

SATURDAY MORNING, OCT. 15, 1842.

THE DAILY publication of the Bee will be resumed on MONDAY, next, 17th inst.

THE TREATY

From the London Times of the 12th inst.

We do not hesitate to say that the present settlement is for the best, as indeed anything more could be better than the late protracted state of things—a state of things which, without a ceaseless and unproductive struggle, would have been a source of weakness and disunion to the United States.

THE SUNDAY

The St. Martinville Gazette of the 8th inst., says that the major portion of the St. Martinville population, in the parish of St. Mary, have come to their senses, and the sugar made is of a very low quality.

ALABAMA COTTON

The Alabama papers state that the heavy rain and high winds have greatly injured the cotton crop. The high winds have lost one hundred days. In Green county the quantity has suffered to the extent of 100 days.

COMMERCIAL

NEW ORLEANS, FRIDAY MORNING.

No improvement in business has taken place during the past week, and the market remains in a state of stagnation.

ORLEANS BALL ROOM

For Young Ladies, under the direction of Mrs. AUGUSTINE.

New Orleans, Oct. 15, 1842.

SALES AT AUCTION

WILLIAM B. BROWN, Auctioneer.

Will be sold at auction on the 15th inst. at 10 o'clock, a quantity of goods, to-wit: 1000 lbs. of sugar, 500 lbs. of coffee, &c.

LABOR

FOR RENT

Wanted, a few good hands for a plantation near New Orleans.

REMARKS

On the 15th inst. the wind was from the north-east, with a light breeze, and the sea was calm.
