B. G. THIBODEAUX.

LATER FROM MEXICO.

dvance of Gon. Scott's Division of the Army upon Ayotla, Eight longues from the Capital

The achooner Musissippi, Capt. Clark, arriv-d here yesterday afternoon, from Vera Craz.

having sailed thence on the evening of the 21st inst. The steamship Fashion had not arrived

The most important intelligence by this arri

here this morning from the interior, brought

telligence of the arrival of Gen. Scott, on the 11th inst., at Ayotta, 8 leagues from the City of

a quantity of mules loaded with ammunition and other articles, and accompanied by about

175 men, commanded by Capta. Wells, Haile

await reinforcements at the Nacional Bridge, and it was there that the little band under

The New York papers contain an extremely observed account of a visit paid to HENRY LAY at Cape May, by delegations from New York, Trenton, New Haven and Philadelusis, harged with the grateful task of inviting the the Capital. We may therefore expect news every moment.".

The small train consisting of ten washin and New Yorkers proceeded to the "Kur-Mr. Clay with feeling and eloquence. He represented himself as the organ of the four undred thousand inhabitants of New York ton, admiration and reverence inspired by the bie and public services of this distinguished

and Fairchild, which left Vera Cruz about the opened upon them with a field piece. The San of Anahyac of the 19th, etates that the trial had, after sundaining a heavy firing for stone time, retreated to Vera Cru. It appears that Major Lally had promised to with a visit before he should return to his West-ern home. A hundred thousand tongues, said Wells and the others fully expected to meet him. For some reason not understood, he had passed on beyond the Bridge, and when the

day. The San of Anakasc mays:

At a Bridge four miles this side of the Nacional Bridge, in deep gorge, flanked by almost impassable heights thickly studded with Chapparral, the guerrillis evidently intended to take the train and its command. A complete ambuscade was formed, and allowing the Irain to advance upon the Bridge, and a heavy fire was opened on the right and left, front and rear.

"The cavairy under Capt. Fairchild seceived the first fire, returning it with spirit, and he was followed by the infantry; ail standing in position for several rounds, when the enerty was discovered in retreat and was pursued with loud and hearty cheering.

"The night was too dark for continuing pursuit, and the cominand cavairy and infantry cut in the return of day. At three ociock in the morning, the surrounding heights were taken possession of by our men on the right, left, front and rear, and at lour the fighting again commenced."

rear, routing the enemy with some loss; Capt. Well's company guarding the one special diring accessionally on the retreating them.

"The train was soon after put at the soon made moved on to the Navignal Bridge, where they confidently expected to meet Major Laliy; but, who, maffortunately for this gollant inter band, has been seed, leavilly this stronghold to be occased by the infannous predatory bands of guerillagathous compretely catting off his reinforcement.

"Considering the great exposure of our men to fire from authorscades and strong forts, it is aimost a miracle that they were not-entirely destroyed. The loss, however, is sensil—five killed and wounded. Several of Capt. Fair-killed shores were shot. He did not loss a single man.

"The ambulance containing the was saved by John Joher, formerly of Capt. Burke's company, 3d Artitlery. He did so, without any directions from the wasgon master, as we are informed, and to him to some contents. We have just teamed, mays the cam of the sont in that a Mexican who arrived this morning, reports that the train had assess Gerro anmolested.

It is reported, says

It is reported, says to Captain of the British brought Gen. Paredes ent forward to open communications with Major Lally, did not return, and it is feared they

bave been captured or killed.

Unusual Visitor An alligator of Unusual Vistore.—An affigator of large size, says the Charleston Courier of the 24th, made his appearance off Dewees wharf yesterday, and attracted the attention of a number of persons. A gentlenian who has an office in the neighborhood, obtained a rifle, and at the second fire succeeded in placing a ball in the back part of the head of the monster, which wounded him so severely that he sank; but as he went down in shoal water he was secured, and drawn on the wharf, and measured twelve feet. drawn on the wharf, and measured twelve feet in length. We understand that one was also shot from the beach at Moultrieville a few days since. They were no doubt driven into our harbor by the recent freahet in some of our water courses.

er courses. ed two millions of gold in this city, in place of the same sum in gold in New York. It is to be transmitted in some mysterious way which in-volves neither hazard nor expense. There are now four millions of dollars in the New York Sub-Treasury.

and the state of t DEATH OF A REMARKABLE DOS. -The Phila-

The Fereign News.
The regular mail of, Saturday brought full accounts of the foreign advices by the Cambria.
They furnish some interesting particulars, but do not in the main add materially to the advices. previously received by Telegraph.

In Great Britain the elections for the House of Commons was the absorbing topic. The London Morning Chronicle gives the following

Lost by liberals and gained by pro-Absolute gain from protectionists,
Absolute gain from protectionists,
Cained by liberals from Peelites,
Absolute gain from Peelites,
Absolute gain from Peelites,

Total absolute gain of the liberals on the borough elections, If the liberals gain upon the whole e as we have supposed, 15 seats from the f and 35 seats from the protectionists, the and Fairchild, which left Vera Cruz about the 10th inst., to reinforce Major Lally's command, was attacked five times before it arrived at the Nacional Bridge, and on reaching that place, found it strongly fortified by the Mexicans who received the strongly fortified by the Mexicans who received the strongly fortified by the Mexicans who refer will then stand thus. Liberals, Peclitics, Protectionalist

he riouse of Commons.

Among the members returned are Lord John Russell, Sir Robert Peel, Baron Rothachild, Mr. Masterman, the banker, Mr. Cobden, Mr. Bright, Mr. John Walter, son of the late Editor

ment. Has been condemned to me possession of by our men on the righting again commenced menced "Capt. Haile's company fired upon and charged the enemy on the telt advance and completely routed the attacking party, and advance of 10,000 francs and the forestate of his civil rights. Mr. Teste will probably die from the rar, routing the enemy with some loss; Capt Well's company granting the company granting granting the company granting granting the company granting gra graud will undertake the Ministry of War.
From Stars we have little of interest. The
Bank of St. Ferdinand has subgred from a severe run has had continued to an accie.
In Poarreat, all remained the free fromation of a new Ministry was accessing slowly.

aved by John Joher, formerly of Cest, Burke's company, 3d Artillery. He did so, without any inferedious from the waggon master, as we are informed, and to him alone credit is due."

We have just learned, says the Sun of the 20th

A fete was to be or a braked at Rome of the sun of the 20th lists, in honor of the amnesty proci

The mob had menaced the Governor Keying for his recent concessions to foreigners, and threatened to burn his palace if he attempted to give effect to the terms of the late treats; especially in so far as regarded a concession to the English of adequate land for dwellings, warehouses, &c., on the Honan side of the river, a site for the erection of a church in the vicinity of the present actories, and space for the formation of a cemetery at Whampoa. Mr. Pope, who had been appointed to, inspect the grounds for these purposes, had been obliged to abandon the attempt. Under teese circum.

grounds for news purposes had been configure to abandon the attempt. Under teese circum-stances, a fresh expedition against Canton was expected.

City intelligence. FOURTH JUSTICE OF THE PEACE -James

Industra.—The Curoner held yesterday an inquest on the body to a white such named Peter Wilson, found dead in a shanty on the Levee between Francis and Lessepp streets, in the Third Municipality. Verdicti-"died of apoplexy." Another was held on the body of a mulatto named. Jim. found drumhed in the river, at the foot of Couti street, First Municipality. This mulicito boyin suppreed to belong to the Capitals of the steelshout Eliska. Verdict.—"Sound drowned."

Racourous Suzzinaar.—Henry Sharp was yeareday brought up before the Recorder on a charge of robbing an individual's pocket out of two dollars and a laiff. The grisoner was remanded for further examination!

Chairs Stitleds, an incorrigible vagrant, picked up in the streets besulty dutuk, was committed to the work house for thirty days. James White and John Glean were arrawed for jighting and disturbing the peace. The former was fined two dollars and a half, and the lattic was discharged.

John Duckman was arrested for taking two much of the ardent harters tables. Total, 658

This would give the liberale a majority of eight over the two sections of conservance. This, we are convinced, is not far from the result which will be arrived at; and we should not be mach surprised to find, instead of a majority on any side, an exactly even division of the Hosse of Commons.

train arrived, the Bridge was found in possession of the enemy. The reinforcement commenced fighting two miles from Sanas Fs, and continued with more or less akirmishing every day. The San of Anaksac says:

At a Bridge four miles this side of the Nacional Bridge, in deep gorge, flanked by almost impassable heights thickly studded with Chapparral, the guerrillas evidentity intended to take the train and its command. A complete ambuscade was formed, and allowing the risan to advance upon the Bridge, and a heavy fire was opened on the right and left, from and rear.

"The cavalry under Capt, Fairchild received the hirs thier, returning it with spirit, and he well followed by the infantry; all guanding in position for several rounds, when the enemy was discovered in retreat and was parased with load and hearty because.

"The night was too dark for continuing pursuit, and the combinand cavarity and infantry remained eattrenched near the Bridge and awair, and the remained with load and hearty because the retreating pursuit, and the combinand cavarity and infantry remained eattrenched near the Bridge and awair, and the remained with load and hearty because the retreating the state of the bark of the sum of day. At three o'clock in the morning, the surrival galant week taken possession of by our men on the right, left, from and rear, and at four the fighting again com-

pation, or coaquest moreoung twen to man a true intejects, in developing his faculties and powers, said the capacity of N-ture to uninster to his citisyments." — Junes K. Polk's inaugural Addiess, Marchil, 1845.
