The detainee was advised by the president of how this board was not a criminal trial and how this board was to determine whether or not he met the criteria for further internment.

The president also notified the detainee that he may be present at all open sessions of the board permitting that he acted appropriately. ISN 3939 was also advised that he could testify under oath or unsworn if he wished to do so, that he had a personal representative which was present at the hearing, that he may present information at the hearing including the testimony of witnesses, and that he can examine documents presented to the board all of which the detainee understood.

Further, ISN 3939 was instructed that, at the conclusion of the board after the legal review, the board would determine whether he met the criteria for further internment at the Bagram Theater Internment Facility. The detainee understood the fact that if he does not meet the criteria, then he would be released as soon as possible.
