sety European collection.

The New York Express has recently start.

It is very bold and noveltheory. It says:

There is no reason in the world why a member of the state Legislature, or a member of the state Legislature, o

By Telegraph. itted to the New Orleans

ADVICES FROM HAVANA. New York, April 19.—The Black Warries rived at Havana on the 14th inst. Sugar Africed at larvale ve the area of firm, 180.

A line of British gun-boats is stationed along the coast of Cuba, to prevent the landing of daves. They have boarded and searched several American vessels.

berating.
In the Senate they are discussing the Pa-ine Railroad bill. MARKETS.

CINCINEATI, April 19.—Flour unchanged. Whisky, 1640. Linesed Oil, 680. Mess Pork held at \$17. Lard, 10c. to 1040. Bulk Sides, 840. Mclasses, 36c. Sugar unchanged. Ooffee dull.

THE RIVER.

St. LOUIS, April 19.—The river has rises at this point, since yesterday, about nine isolese. The Missasspip is rising slowly.

At Dubuque they have had very heavy rains for the last two or three days. Nothing new from the upper streams.

At Losiswille the river is rising, with nine feet and the stream of the risk of the stream of the risk o STRAMBOATS PASSING.

tic at 4, and the Europa at 6 Sunday evening.

We copy from the Washington Union the annexed particulars of the assault on Mr. Casion, of N. C., of which the assault on Mr. Casion, of N. C., of which the telegraph made mention a few days ago:

Assault, with livera to Kill.—Our readers many remember that on the 5th instant senator Biggs, of North Carolina, called the attention of the Senate to some extracts from a book stitled "The impending Crisis of the South," quoted in the published speech of that the suited "The impending Crisis of the South," quoted in the published speech of that the suited and the senator went on to show that the suited and the senator which will be continued in fortune and character, and catering to a discussion, but he senator when the senator should be senated appetite at the North to obtain a miserable living by sinders upon the land of his birth. I deeply regret (continued Governor Biggs) hat the senature from Massachusetts has, by a reference, se dignified the oresture as to render necessary this exposure. Such is Mr. Helper, of North Carolina, author of the "Impending Criss of the South," since a legic once of North Carolina, but who is a since the state of the supposed that Mr. Helfer, alias Belger, was at buce sent for, and this morous he was

ch dree. Mrs Schaffer and cabid, Mr and Brz Sharp had beechige.

THE LAVIATHAN IS COMING.—We had an interview yeaterday with a gentleman who came passenger in the fusion, at this port, and whre happy to hear him contradiot most emphasically the report published in our paper of Tuesday, to the effect that the work on the Laviathan had about stopped; that but for the the contradion had been been been the six had about stopped; that but the work on the Laviathan had about stopped; that but for machinery in her you her; that there he left Registad, he visited the monater steamship. First there are 1750, men hard at work upon her; that her machinery is already in, and every thing is being driven as fast as man can do! It. The desire on the part of the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommote the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommote the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommote the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommote the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommote the work gring on as rapidly as possible is so great that "passes" to go on board of her are refused to visitors, lest they should incommon the should be a substituted to the should be a substituted to be a belle to record it from so direct a bource — Portland Adverticer.

The Ratchitochee Chronicle has the follow-

PRILLARMA April 13.—A mean meeting of the friends of Heary Clay and opposents to the present administration was held this evening at Mational Ball for the perspect of a best-briding Clay's birth-day, and of moving the establishment of a Mailonal party. A swies of recolations were adopted setting forth the principles advocated by Clay, and inviting the friends and supportant of the register of the principles and supportant of the register of the principles and supportant of the register of the country without requires of the country of the men. Behad its requirement of the country with the country of the men. Behad its requirement of the country with the country of the men. Behad its requirement of the country with the results of the country of the men. Behad its requirement of the country with the results of the results
