NEW ORLEANS BEE

FOR PRESIDENT OF THE UNITED STATES:

HENRY CLAY.

FOR VICE-PRESIDENT

THEODORE FRELINGHUYSEN

FOR ELECTORS OF PRESIDENT AND VICE PRESIDENT

First District.....JACQUES TOUTANT.
Second District.....ZENON CAVALIER.
Third District.....GEORGE A. QUION.
Fourth District.....LAFAYETTE SAUNDERS.
Fifth District.....JACQUES DUPRE.
Sixth District.....EDWARD SPARROW.

NEW-ORLEANS:
TUESDAY MORNING SEPTEMBER 24, 1844.

KEEP IT BEFORE THE PEOPLE.

That locofocoism is profoundly silent respecting Mr. POLK'S extraordinary merits, but exhausts the vocabulary of vituperation in abuse of HENRY CLAY.

KEEP IT BEFORE THE PEOPLE.

That the locofoco presses profess to consider carried the will of the majority, and that in the Baltimore Convention, MARTIN VAN BUREN, though receiving a large MAJORITY of votes, was thrown overboard and JAMES K. POLK whom nobody ever dreamed of for President, was nominated in his stead.

KEEP IT BEFORE THE PEOPLE.

That while Mr. POLK was nominated by the locofocos expressly on the ground that he was favorable to immediate annexation, the locofoco party in the North REPUDIATE TEXAS, and the locofocos of *New York* have started as their candidate for Governor SILAS WRIGHT, Jr., who boasted that he voted AGAINST the Annexation Treaty, because he was OPPOSED TO THE EXTENSION OF SLAVERY.

KEEP IT BEFORE THE PEOPLE.

That the locofocos are the defenders and champions of THOMAS W. DORR, a convicted and attainted traitor, who raised an insurrection and attempted to subvert the legal and constitutional *government of Rhode Island*, and let the people remember that locofocoism encouraged Dorr to acts of VIOLENCE and INSURGENDINATION, and are now endeavoring to get up a mawkish and factitious sympathy for a justly punished criminal.

KEEP IT BEFORE THE PEOPLE.

That while HENRY CLAY was thundering defiance to Great Britain in the American Congress, and urging the people to take up arms in *defence* of their outraged honor and impressed seamen, Warrior POLK was hastening with all speed from Rutherford to Maury county, Tennessee, to avoid being drafted as a soldier.

KEEP IT BEFORE THE PEOPLE.

That the WHIGS are the *friends* of order, equal rights and constitutional restraints—that locofocoism delights in bewildering, Rhode Island insurrections and 1748 fraudulent certificates of Naturalization. That the whigs are the steady advocates of a Sound National Currency, a Tariff for Revenue with discriminations for Protection, and the distribution of the proceeds of the Public Lands among the States; while the locofocos are in favor of a Sub-Treasury with GOLD for the Office Holders and RAGS for the people, the rabid champions of that splendid Humbug Free Trade, and the foes of Distribution, preferring to divide the proceeds of the public lands among peculating official underlings of the Government.

KEEP IT BEFORE THE PEOPLE.

That a whig detaulter is a spectacle unknown—and that the Government lost nearly THREE MILLIONS OF DOLLARS, by such magnificent Sichern of the public funds, as SWARTWOUT, PRICE, BOYD, HARRIS and the entire host of LOCOFOCO PECULATORS.

To the Editors of the Bee.

Gentlemen:—You would greatly oblige me by publishing the following. The last statement sent you was informal and not complete.

Respectfully, G. W. HARBY.

WHIG MEETING—THIRD MUNICIPALITY.

NEW ORLEANS, Sept. 19, 1844.

A large concourse of the Whigs of the Third Municipality, met this evening, September 19, at the Franklin Hall.

The meeting being convoked, JOHN CULBERTSON, Esq., was called to the Chair, and GEORGE W. HARBY and F GARDERE, Esqrs., were selected to act as Secretaries.

The object of the meeting being for the election of officers, Mr CULBERTSON was nominated as a candidate for President, when in a laconic address he politely refused the honor intended him—upon which W. C. CLAIBORNE, Esq., was unanimously elected President.

GREAT WHIG CONVENTION AT WHEELING.

The Wheeling *Times* of the 13th, devotes eight columns to a description of the great mass convention at Wheeling, of the whigs of the border counties of Virginia, Ohio and Pennsylvania. It was a magnificent gathering, numbering fully TWENTY THOUSAND WHIGS. A large number of counties in each of the three States were represented by full delegations. The Hon. Andrew Stewart, of Pennsylvania, presided, and made an able speech; after which the Hon. Wm. C. Rives addressed those of the multitude who could get within the sound of his voice in a masterly exposition of principles, for nearly three hours. He was followed by Hon. G. W. Summers, Hon. C. C. Darrogh, and other speakers, who harangued various portions of the dense mass at separate stands. The Convention lasted three days. Every whig drew animation and encouragement from the proceedings, and left determined to do his whole duty.

ST. LANDRY.—The whigs of this large and populous parish are organising with becoming energy. A Clay Club was formed at Opelousas a few weeks since. We notice by the St. Landry *Whig* that another has been established at Grand Coteau, and a third at Bayou Chicot, which will do good service during the campaign. The Cotton whigs have determined to open the contest with a bonfire, on which both parties will be invited. The Clay boys of St. Landry tell us they are nothing for an 1840 majority for the Hero of 1812 Whig, and that nothing less will content them. This is the right spirit, and we trust it will spread throughout the length and breadth of our State.

ERRORS CORRECTED.

Some weeks since we published a list of public peculations under the administrations of Gen. JACKSON and Mr VAN BUREN. In this statement were included the names of BENJ. R ROGERS and of DAVID L. TODD—the former a member elect of the Legislature of Louisiana, and the latter deceased in 1829. Upon the authority of the Opelousas *Gazette*, we now with great gratification admit that we were in error in all that relates to these gentlemen. With respect to Mr ROGERS, the *Gazette* says:—"The facts are that while he was Receiver of Public Monies at Opelousas, he was instructed to receive specie paying notes for public lands, which he did, and deposited them in the Bank, which soon after suspended specie payments, and the Government refused to take their paper. This dispute has long been settled, and Mr R., who was never in reality a defaulter, has paid the government all he ever owed it. We remark as an act of justice, that Mr R. is and has been for some years, an active and efficient member of the whig party, and was elected last July on the whig ticket to the Legislature."

The *Gazette* further remarks that Mr Todd died just before the expiration of the 3d quarter of the fiscal year, and of course his accounts had to be settled after his death, which was done, and every cent, about $7800, instead of $27,000, including interest, has long been paid. Mr TODD was a whig, and it is well worthy of remark, that the only errors in our statement which we have been called upon to correct have been predicated of whigs. Defaulters in our party are as rare as black swans.

HEALTH OF THE CITY.

The statement in yesterday's *Tropic* has pretty well used up what our contemporary appropriately styles "The Yellow Fever Humbug." There have been but *seventeen deaths* from the disease in the Charity Hospital, during the whole of the month of September to the 22d inst; and then there are but thirteen Yellow Fever patients in the Hospital nearly all of whom are convalescents. There is not the smallest symptom of an epidemic. Our friends may return with perfect safety. The Locofoco papers of course won't to keep them back, but whigs are not quite green enough to be gulled by Locofoco statements.

WHIGS, COME HOME!!

☞ See the spirited proceedings of the whigs of Iberville in another column.

☞ A destructive fire occurred at the village of Bath, Va., a few days since, which consumed nearly the whole of the best square in the village.

BATON ROUGE.—The Young Whigs of Baton Rouge were to raise an ASH POLE last Saturday—a great gathering was expected on the occasion.

☞ The Woodville *Republican* has again made its appearance, which indicative an abatement of the scourge which has desolated the county of Wilkinson. The disease is said not to be Yellow Fever.

VERMONT.—The returns of the late election are nearly complete. Slade (*w*) will have a majority of 7000 over Kellogg, his locofoco competitor, and 2000 over Locofoco Abolitionists. The Senate will stand 28 whigs to 10 locos. The House so far as heard from stands, Whigs 194, Locos 53, Abolitionists 6, no choice 31.

LAFOURCHE INTERIOR.—The whigs of this almost unanimous whig parish hold a meeting on *Saturday or Monday* next, for the purpose of appointing delegates to the Grand Mass Convention at Baton Rouge. Lafourche ought to send at least 150 delegates.

NEW YORK.—The whigs of Essex county held their Grand Mass Meeting at Elizabethtown on the 5th inst. It was a brilliant affair, numbering many thousands, and exhibiting heartfelt enthusiasm and indomitable zeal. H. RUSSELL was President of the day, and the Convention was addressed by Hon. Chas. Rogers and others. The whigs of Essex go in for 800 majority—not a jot less.

☞ The "Seven Companelogian Bellringers" have arrived at New York, and were to give an exhibition of their skill. Their band consists of nine performers, and the instruments they make use of are common hand bells, of various sizes and tones. About fifty of these bells are arranged on a long table, behind which the players are placed, and the music is produced by striking the bells with small hammers, which are passed with incredible rapidity from the hand of one performer to the other as the exigencies of the tune require. In this way, the most difficult overtures and combinations of harmony are executed, with astonishing precision and beauty of effect.
