China—There had been several arrivale at

San Francisco, from Hong Kong, bringing a large number Celestria a but no news.

We acknowledge our obligations to L. A. Lawy, Jr., of San Francisco, for his attention to forwarding us fall. See Y California Instable.

change of these can be effected which may cond to must us in a general system of Internal Improvements.

Mr. Burk: supported his resulations by some eloquent remarks, and was followed by Mr. De Bow, who made a bret speech in their fators, which was touly applauded. On monoin the time for holding the Convention was changed to the first Monday of January.

Mr. Payne stated that, from information he had received. Feas was astrongly in layor of meeting us, by eatending the proposed road into the time from the time for holding the Convention would be taken in the matter. With this view Mr. Payne in the first monday that at the next session of the Legislature some direct action would be taken in the matter. With this view Mr. Payne in hight that a resolution should be added, having directly from solget the enlistment of Trace in the matter. With this view Mr. Payne in high that a resolution should be added, having directly from solget the enlistment of Trace in the matter. With this view Mr. Payne in the time of the continuous were then unanimously adopted.

Mr. Sever being them called upon, made a most practical and teling speech in support of the object for which the Convention had assembled. The remarks of the gentleman, we need searcyly say, were most eloquent, and frequently and loudly spiplauded.

Mr. Matth introduced a resolution instructing the Permanent Committee to have the proceedings of the Convention were voted to the presiding officer and Secretaries. Colonel White stied in reply that anything he could accomplish in support of the road would be most cherically done.

Mr. King, of Opelousas, presented resolutions sendering the hearty thanks of the country members to the Convention with such a spacious Hall for their proceedings, and also to the citizens of New Orleans, for their cordial and hospitable reception. Unanimously adopted.

A vote of thanks was likewise tendered to the Gas Works, the Second Municipality and

and assume the privilege of a plurality of wives.

New York, May 28th, 2 P. M. Special. Senatorial Election.—Sufficient returns of the special Senatorial election have been received to render it certain that at least 3

ANTI-SLAVERY CONVENTION.—The antislavery convention commenced this morning.
Edmand Quincy was elected President, and
in his opening speech was very severe upon the
suthorities for not letting the Abolitionists have
Faneuil Hall.

No basiness of importance has been transacted up to the closing of this despatch.

The Union Associationists met last evening,
in the absence of Horace Greely, the President, Mr. Dwight was called to the chair.—
The annual address was delivered by W. F.
Channing.

of 21-2 per cent. Reading was firm at 28-3-8.

Hartvord, Conu., May 27.

While Caucus—Gerneral. Banking Law.—
It is understood that the Whigs in eauses have nominated Roger S. Baldwin, Whig, as their candidate for Senator. The Democrats have not yet nominated a candidate.

The special committee in the House have reported adversely to the General Banking Law. The minority reported in favor of it. The bank interest is against this bill, and it is feared it will be defeated.

The animon of the notice, present their large and the last the defeated.

PORTLAND, Wednesday May 28.

PORTLAND, Wednesday May 28.

DEATH: ON MRS. PERRIE — Mrs. Proble, it may be defeated.

Line of Commodore Ed. Proble, ided in this city less avening, aged 81. Few women have done so much in smostenations benevolence as she did, and her memory will be held in respect by those who have be best. She has left quite a large amount of property.

Bostos, Thus Trial in The Case of Shandard, May 28.

THE TRIAL IN THE Case of Shandard, the Fegitive Siave, was resumed this forences before ladge Sprague. The opening argument for the God veremant was made by Mr. N. J. Lord. Mr. John Devree, the owner of Shandard, the Fegitive Siave, was resumed the forences before for the God was a constraint was made by Mr. N. J. Lord. Mr. John Devree, the owner of Shandard, was owned by Corner, the Caphart, both of Norfolk, Va., settlifed to the fact that Shadardh was comped by Devree, and had escaped to the Norfolk, Wa., settlifed to the fact that Shadardh was expected as a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead a a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Slave, in this city, was been dead as a Fagilive Sl
