Islamic extremist who worked with Anti-Coalition Militia (ACM) groups. They conducted at least two insurgent operations against US/Coalition Forces, one of which was against the Shkin Firebase, Shkin, AF. He has attended several madrassas within Pakistan, some of which were anti-American. Mohammed Hashim, US9AF-000850DP (ISN 850), identified detainee as an individual who was being prepared to fight on the front lines. Nasser Gul aka Chaman, US9AF-001037 (ISN 1037), confirmed detainee attended a military training camp in Peshawar, PK, and conducted grenade attacks on coalition forces, in Kabul City, AF. In addition to the attack on Shkin Firebase, detainee admitted to attacking the residence of the Afghan military commander in Shkin, AF. Due to his lengthy indoctrination period in jihadist madrassas, and his willingness to attack coalition forces, it is assessed this detainee is a MEDIUM risk, as he may pose a threat to the US, its interests and allies.

**4. (S//NF) Detainee Background Summary:** Unless otherwise noted, the following paragraphs are based solely on the detainee's statements.

**a. (S) Prior History:** Detainee attended several Madrassas in Pakistan, some of which espoused anti-American rhetoric. Detainee learned to read and write the Quran at a Madrassa.

**b. (S) Recruitment and Travel:** Qari Inamullah made several attempts to recruit detainee and finally succeeded when detainee was training at the Razautul Mosque and Madrassa. Ahmadullah promised detainee he would be able to study with Malawi Abdul Salam in Wana, PK.

**c. (S) Training and Activities:** After detainee completed his studies, he stayed with his brother, Mohammed Kabir aka Abdul Kabir, in Baghbanan, PK. Qari Inamullah called detainee and told him to meet him at the bazaar in Wana, PK. Detainee arrived in Wana, PK, and waited for Inamullah who showed up sporadically over the next six weeks. Inamullah gave detainee money so detainee could live in a hotel in Wana, PK. (Analyst note: Six weeks could have been used to train detainee in infantry tactics and weapons training. It also would give Inamullah time to recruit the 29 other fighters mentioned below.) (Analyst note: Baghbanan, PK, which is near Peshawar, PK, is a hotbed of ACM activity, including Al-Qaida, Taliban and Hezb-E-Islami Gulbuddin (HIG).)

**d. (S) Capture Information:** On 16 November 2002, Qari Inamullah went to the bazaar in Wana, PK, and picked up the detainee. Detainee believed he was going to another Madrassa. Inamullah brought two trucks loaded with 30 men with him. Qari Ahmadullah led the group on a two and a half hour drive. The convoy stopped near the firebase at Shkin, AF. The 30 men were divided into three groups of ten. The groups attacked the US Shkin Firebase located on the Afghan/Pakistan border from three different directions. Detainee was

Detainee was carrying seven hand grenades and three full magazines for his weapon including one magazine that contained armor piercing shells. Detainee did not know the target beforehand or he would not have attacked the U.S. Detainee stated he was tricked into attacking the firebase at Shkin. Detainee was captured the day of the attack by Afghani soldiers in Angorrada, Paktia Province, AF. He was turned over to US forces.

**e. (S) Transferred to JTF GTMO:** 2 June 2003

**f. (S//NF) Reasons for Transfer to JTF GTMO:** To provide information on the following:
