BWARE OF COUNTERFEITS

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated Catholicon, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rub of Affaireur, or Symp of Consigner, which contains corrosive sublimate, and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but F. P. DUCONGE and MORAN & Co. who are my only authorized agents for New-Orleans, and from whom the Genuine Potter's Catholicon can be had fresh from my factory at Philadelphia W. M. POTTER, Ninth street, Philadelphia.

POTTER'S CELEBRATED Catholicon.

ONLY TWO DOLLARS PER BOTTLE. THE component parts of this medicine are purely Vegetable—it is therefore one of the safest in the world! IT SOFTENS THE LIVER, dissolves all the obstructions, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ticks, pains in the bones, rheumatism, dyspepsia, an indigestion, diseases of the lungs, syphilis, blotch on the face and skin, white swelling of the joints, tetter, mercurial diseases, piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivaled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proof of the value of Potter's genuine Catholicon—its healing powers; its usefulness as a general restorer of health; the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alms House, and the Philadelphia and New-York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. These facts speak trumpet tongue—and cannot be gainsaid.

It is much to be lamented that there are so many shrewd and artful impostors, who, in imitation of this invaluable medicine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the contents of their own filthy concoctions, which have been published for their benefit the very certificate which the proprietor of the Genuine Catholicon had obtained from those who were cured by his medicine, of various distressing diseases.

This has been assailed in every form by envy, jealousy and fraud; and thereby prevented the usefulness of this great and long wanted remedy for remedy.

Just received, direct from the manufactory of the proprietor, a fresh supply of the Genuine Potter's Catholicon, and for sale at the whole sale and retail Drug, Medical and Chemical warehouses of F. P. DUCONGE, sep 21 Corner of Chartres and Conti streets.
