MEMORANDA. I would yield his administration a support, so for so it is there torious, receiving to ourselves the right to find fielt with any of his acts that we may conceive impolitic or wrong. If the chaica that the people have made, quattibute to the prosderity of the state, we shall be among the first to rejoice, jand'te de justice to the motives by which that gentleman

a influenced A large and highly respectable meeting of the friends the administration has been held in Petersburg, (Va.) The resemblage was satisf to order by Cal. Banish Claiborn 1. Butte, on whose motion, the venerable WM. CLARER, gross of the Fathers of the Town and of Democracy; was catted to the Chair, and H. Haines and H. B. Gaines were appointed Secretaries. The meeting was addressed by Rob. at R. Coller, Nicholas Moore, and Dr. E. H. May. The abjest was to more in the great work of getting up instrucy siems, by which the democracy of the Old Dominion to report their rest sectionants. The Petersburg Covalelle Tien problemation the meeting to have been downer, and sey that the result will be most triamphant.

Puntes County! Paster Communical We are great! physical to personne that the elementary of the serven confressional district in the state of New-York, have give the most sens or dence of their just orthants of the talester patriotion, and public services of Mr. Boardsley, and of their contempt for the unfounded and sumanly slanders of a considere to topograp, that displat in sengrees. The litter

course have the pleasure of announcing, that the delegates or the Geogramican's Convention of these district, held at Rome, with milits uncarimity prominent the Hon. Hampel Rome with milits uncarimity prominent the Hon. Hampel Rome and production of Coverge, as gradieless for a re-shoulest to unequest from the 17th congressional district. A store gratifying selection to the demography of this district could not have been made. They will receive the territoid support and certire extensive of the translation will of the district. These election we consider appeals white of the district.

We were told last year that the public depos in the floring florent floring. The people may judge how offe, from the fact that the moneter has just seized one hundred in payment and rest mounter has just seized one bundred in payment aged the bind delication the amounts of the series had dependented.

The acceptible men of England and Gormany have estabion, in their programs metions, of the greatest utility to science and honor to their names. It is an enter

utility to accesses and bener to their names. It is an assessed in the property of the convention was first and the property of the property of the convention was first and property of the property of the convention was first and property of the property of the convention was first and property of the property of the convention was first and property of the property of the convention of the property of

Maries of the law Reproduct . To ers were received, and all me can tearn in that all we miet in Spain.
