Also, a superior assortment of Perfumery, in case of the tune I could not eat, sleep, or walk. I had attended a number of physicians, but was entirely unwilling. FOR FEMALES AND MALES,

"Be ye Fruitful and Multiply."
SOLD ONLY AT NO. 59 POYDRAS STREET.
Dr. Lafayette Jones' Cordial, or Procreative Elixir.
THIS is the only actual remedy ever discovered for impotency, genital debility, nocturnal emissions, and all diseases occasioned by self-pollution habits, and many of the acutrums recently recommended for the same complaints are worthless imitations. Let all those who have been deceived by quacks and pretenders, immediately call at 59 Poydras street, and procure a bottle of the above Cordial, and be convinced of its superiority among the confidant things in nature wherein the others are made up of cheap drugs, worth but little or nothing, and which will only injure the system. Let it be remembered that the utmost reliance may be placed on the Juno Cordial in the cure of the maladies mentioned above, and which follow in its train; loss of muscular energy, physical lassitude and prostration, irritability, and all nervous affections; indigestion, sluggishness of the liver, gleet or gonorrhœa or whites, and face always pale. The Cordial is one in any way connected with the disorder of the procreative functions—in all of which it is allowed almost certain to produce a positive cure, and in almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness or inability of the kind, should by all means take this Cordial, as it will infallibly restore health and vigor in a brief period, and where want of offspring is a source of regret, if no cause for it exists, the most beneficial results may be anticipated with confidence. It is of precious value to those with such offspring, as it has taken the place of all others, and will in all other countries where it may become known
It also possesses the unrivalled qualities of curing incipient consumption, and I have administered it with great success to patients who have sought our delightful climate, only to be rejected as incurable, and the result is that a medicine has been added to the catalogue for the cure of incipient consumption.
To spread wide the blessings of this medicine, I have appointed Messrs Judson & Co., of the city of New York, my agents for the United States of America, my sole agents for its sale and none can be genuine unless it comes through them, and their signature is on the wrapper. DR. ANTONIO LARZETTI.
Sold by Judson & Co.
Daily's and Connell's Magical Pain Extractor, for burns, scalds, erysipelas, rheumatism, sprains, tic douloureux, bruises, sore eyes and nipples, sores, &c. &c.
Caution—Ask for the Juno Cordial, and take no other. Sold also by the Southern Plaster Depot, 70 Magazine street, and by Dr. Fuentes & Co., 99 Poydras st, N. and 60 Decatur street.
Also, Hays' Liniment, which will cure any case of Piles. Acoustic Oil, a cure for deafness

Dr. Lafayette Jones' Cordial, or Procreative Elixir.
THIS is the only actual remedy ever discovered for impotency, genital debility, nocturnal emissions, and all diseases occasioned by self-pollution habits, and many of the acutrums recently recommended for the same complaints are worthless imitations. Let all those who have been deceived by quacks and pretenders, immediately call at 59 Poydras street, and procure a bottle of the above Cordial, and be convinced of its superiority among the confidant things in nature wherein the others are made up of cheap drugs, worth but little or nothing, and which will only injure the system. Let it be remembered that the utmost reliance may be placed on the Juno Cordial in the cure of the maladies mentioned above, and which follow in its train; loss of muscular energy, physical lassitude and prostration, irritability, and all nervous affections; indigestion, sluggishness of the liver, gleet or gonorrhœa or whites, and face always pale. The Cordial is one in any way connected with the disorder of the procreative functions—in all of which it is allowed almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness or inability of the kind, should by all means take this Cordial, as it will infallibly restore health and vigor in a brief period, and where want of offspring is a source of regret, if no cause for it exists, the most beneficial results may be anticipated with confidence. It is of precious value to those with such offspring, as it has taken the place of all others, and will in all other countries where it may become known
It also possesses the unrivalled qualities of curing incipient consumption, and I have administered it with great success to patients who have sought our delightful climate, only to be rejected as incurable, and the result is that a medicine has been added to the catalogue for the cure of incipient consumption.
To spread wide the blessings of this medicine, I have appointed Messrs Judson & Co., of the city of New York, my agents for the United States of America, my sole agents for its sale and none can be genuine unless it comes through them, and their signature is on the wrapper. DR. ANTONIO LARZETTI.
Sold by Judson & Co.
Daily's and Connell's Magical Pain Extractor, for burns, scalds, erysipelas, rheumatism, sprains, tic douloureux, bruises, sore eyes and nipples, sores, &c. &c.
Caution—Ask for the Juno Cordial, and take no other. Sold also by the Southern Plaster Depot, 70 Magazine street, and by Dr. Fuentes & Co., 99 Poydras st, N. and 60 Decatur street.

FEVER AND AGUE

Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of the hundreds that we have received from the South and West of like character

Oswego, Michigan, Oct 22 1847.
Dr. Townsend—Dear Sir: I purchased twenty-six bottles of Sarsaparilla from Richard M. Nair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle I appeared to have the Ague, and every other day, when the chills and fever appeared they were much lighter, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before for two years. I am a farmer by trade, and have been very sick with chills and fever, but had broke them with quinine and was left in a very weak and debilitated state, and tried Sarsaparilla with the ague cake, seeing the effect that it had on my wife, she went and procured a few bottles and it restored her in a few weeks to complete health. Your Sarsaparilla is, without doubt, unequalled in diseases incident to the West, and if you think that this communication will be of use you are at liberty to use it as you choose. Yours respectfully,
CHARLES H SWAIN.

CANKER IN THE MOUTH.

Below is an account of another chief saved. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following certificate is received from a great number received this week:

New York, April 1 1847.
Dr. Townsend—Dear Sir: One of my children was very much troubled with the Canker in the mouth and throat, attended with great debility. It came near dying. I obtained some of your certificate in the store, and after using two bottles of your Sarsaparilla, I am happy to say that my child is entirely restored to health. I feel very grateful. Yours, respectfully,
ELIZABETH FOWLER, 67 Desbrosses st.
