icule upon the meeting of Tuesday evening last, held in this District, to take into consideration the measures proper to be adopted in view of the mixing of white and black children in the public schools of the city. The lopublican doubts the readiness of one citizens to subscribe the funds necessary for the establishment of schools reparate from those controlled by State officers, and casts, what we believe to be night or consider and report upon the projects which had been submitted to it. There are also mis-statements of fact in the article of the Republican, which should not go without correction. The names of the meeting, nor were they present thereat. They do not reside in either the Second or Third District, and consequently were not included in the call for the meeting, nor were they present thereat. They do not reside in either the Second or Third District, and consequently were not included in the call for the meeting, which was addressed only to the residents of those Districts. All that Mosers. Lusher and Rogers had to do with this meeting was to give it at the request of the callers, the benefit of their experience in educational matters. The leading men in the movement have never abent any of the public monless properly or improperly. The Republicans and have never apent any of the public monless properly or improperly. The Republicans
