SOLE DEPOSIT OF THE PARAGUAY-ROUX.

An Infallible Remedy for Tooth-Ache.

L. CHOISE, still the agent for the sale of that precious remedy of Messrs. Roux and Chais, although he considers it useless to recall here the virtues of the Paraguay-Roux, better known by the success it has obtained, than by the prices bestowed on it by the public papers, thinks it necessary to inform the public that as sole agent of the Paraguay-Roux, he will guarantee its efficacy unless not only the bottles be taken from his store, but that besides they bear the label of L. Choise, depositaire. Therefore, he invites those persons who have already made use of the Paraguay-Roux, as well as those who may be in need of it, not to mistake in the purchase of it, and to be careful to buy that kind which do not resemble in the least to the Paraguay-Roux, of Roux and Chais, the sole deposit of which is at the store of the above named, Royal street, No. 243, between St. Ann and Dumaine. nor. 23

LANDING from steamboat Louisiana, 40 half bbls sugar, or less, and 120 bbls pine and large pine, 31 bbls of S. C. BELL. This has been assailed in every form by envy, jealousy and fraud; and thereby prevented extending the usefulness of this great and long wished for remedy. Just received, direct from the manufactory of the proprietor, a fresh supply of the Genuine Potter's Catholicon, to be sold at the whole sale and retail Drug, Medical and Chemical Warehouse of J. W. ZACHARIE & Co. feb 27

POTTER'S CELEBRATED Catholicon.

ONLY TWO DOLLARS PER BOTTLE.

The component parts of this medicine are purely Vegetable—it is therefore one of the safest in the world!

A SOVEREIGN REMEDY in diseases of the liver, checked some throat, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, diseases of the lungs, syphilis, blotches on the face and skin, white swelling of the joints, tetter, mercurial diseases, piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivaled and very extensive success which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by its extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred secrets that can be added to the unfortunate martyr of disease, and it is most sincerely to be hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proof of the value of Potter's genuine Catholicon—its healing powers: its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alms House, and the Philadelphia and New-York Penitentiaries, where the eminent skill which presides over them had been exhausted in vain. "These facts speak trumpet tongue!"—and cannot be gainsaid. It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medicine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to fish the public, have published for their benefit the very certificates which the proprietor of the Genuine Catholicon had obtained from the various distressing diseases of various kinds who were cured by his medicine. Thus he has been assailed in every form by envy, jealousy and fraud; and thereby prevented extending the usefulness of this great and long wished for remedy. Just received, direct from the manufactory of the proprietor, a fresh supply of the Genuine Potter's Catholicon, to be sold at the whole sale and retail Drug, Medical and Chemical Warehouse of J. W. ZACHARIE & Co. feb 27

THE owners of the square, fronting common's St. John's, St. Peter's, and Gravier's streets, would, if so disposed, find an advantageous sale of their lots, by applying at the Office of this paper. march 31
