ERRATUM.—By an error of the press we were made yesterday to give the Locofocos 204 in stead of 104. Representatives elect to the 20th ongress. The context will enable the

"Our election for members of Congress takes place four weeks from next Monday, that of November, but so little has been said on the subject that I almost doubt it half the voters are aware of the fact. In this (second) district the Locos have been quietly but industriously at work, and unless some portion of our absent voters return in time, I fear we may be taken by surprise, though we usually give a handown Whig majority. You will have seen that Jacob Barker is an independent candidate, and he may well call himself so, as, according to his letter, he is neither one thing nor the other.—The Locos, as usual, are pushing him forward, holding out every inducement to keep him in the field, with the view of using him to draw off Whay otters, well knowing that the men of their own party will vote en marke for their regular nontinnee, and that there are always ensuith then the prepond-cance. I venture to say that the meth of the votes given for Mr. Barker will be Whig votes—indeed, I do not be live the will get twenty Loco Foco votes in the district."

that in a State so generally Whig as Maryland, the Whigs have never elected their Governor but once since the Executive has been elected by the people. Thus, at the first popular afec-tion, William Grifton (Leoo) was elected, in 1838 for 3 years; in 1841, Francis Thomas (Lo-We transcribe the foregoing paragraph from a New Orleans letter in ithe New York Commercial Advertiser, and our object in so doing is 1000 for 3 years; in 1984, Francis Thomas (Lo-co) was shosen; and in 1984, Thomas G. Pratt (Whig) was elected; and now, Philip Francis Thomas (Loco) we choused—this bring the third triumph of the Loche in four trienfill, elections. Local difficulties, such as those which, exist he-tween the Eastern and Western above, Inter-nal Improvements, the State debt and taxes, nat improvements, the State debt and taxes, have great influence in Marylands, and the Whiga have always found it difficult to reconcile the discordant interests which always prevail. With the Lice-Boos, composed as that party is, in a great measure, of the unthinking multitude, the influences referred to have but hitle effect. these cunning democrats are fully aware the Wisconsin.—Governor Dodge has called an Esten Session of the Territorial Legislature, to meet at Madison, on the 18th instant, for the express parsess of originating a new attempt to precure a fitted Constitution and be admitted into the Union. the Second District, will be abstracted from the Whig side, and will consequently protes nominated Locofoco candidate. Their police with our friend Jacob Banker is precisely that by which they have so often prevailed, vide and conquer" is their maxim. MAYON'S MESSAGE.

MAYONALTY OF NEW ORLEANS, Cottober 14th, 1817.

To the Honorable the President and members of the Council of Miniscipality Ro. 3:
GENTLEMEN:—I avail type of the opportunity afforded me, by your meeting of this aby, to call your particular attention to the whartes of your Municipality. As the business amounts fast approaching, I think it is not insperopriste that I should recommend that the most stream consecutions of your honorable body be directed towards completing, with all possible promptness; the works now in progress in the whole extent of the landing in your portion of the city. The work only needs to be acceptanted analysed every convenience and accommodation to the shipping, and to become a prelific source of retenes to the Municipality. The present suggestion, which in my conception is entitled to year serious considerativin, I have deemed proper to offer, actuated as I am with a sincere desire, to leave to effort united for the advancement and prosperity of the 3d Municipality.

d. am, respecutifulty, Gentlemens.

staguant and fifthy waters therein; and also became it checks improvements in that part of the let, ward, dec.

On motion of Mr. Nicomede the above settion was referred to the constnitute on Control.

A letter from Mr. Barthelemy Rey, was read, in which he informs the Council he accepts the sheement of his property which is put down on the topleau at \$500, provided the council takes his place for two notes of \$55, each at 6 and 12 months. On motion of Mr. Nicomede the proposition of Mr. Rey was accepted.

On motion of Mr. Nicomede the proposition of Mr. Rey was accepted, in which he offices to pave Greatmen and Crips are the proposition of Mr. Thomas Hynes was read, in which he offices to pave Greatmen and Crips are the from Esplangist to Elysians Folds street, for the price of \$1,30 per square 'yard, and also use control and gutter stones in smid street for the sam of eighty clurk per running foot.

A letter from Mr. Patrick Chair was read, in which he propose to pave Greatmen and Crips streets, from Esplangiste to Elysians Firlds street, for the price of one dollar and forty-five critis per square yard, and also treets for the sum of eighty-five cents per running foot.

On motion of Mr. Nicomede the proposal of Service and the foundation of condenses and control of the control

Resolved, That the Trensurer he and is herepy required to pay the following acceptate spon
the warrants of the Mayor:
