BOARD OF PUBLIC WORKS.

New-Orleans, May 6th 1841.

THE undersigned is authorized and prepared to contract for the cutting of a channel through the Rapids of Red River, above the town of Alexandria; provided the same can be done in accordance with a plan and estimate made by the late T. Dunbar, Esq. Civil Engineer, of the State of Louisiana, and also with an appropriation made for that purpose by the Legislature of the State—all of which may be seen at the office of the Board in the city of New Orleans, on application to E. Rousseau, Secretary, No. 3 Old Levee street.

The person or persons contracting to do this work will be required to give a bond with good and sufficient security in a sum of at least the half amount of the contract, and stipulate that one third of the sum of the work as it progresses is retained by the Board to secure a faithful execution of the contract. It is expected that a much greater advantage to the cause can be offered to such parties as may be disposed to enter into a contract, than any of which the Board has been proposed to the State.

THOS W CHINN,
President of the Board of Public Works.

☞ The Red River Whig of Alexandria, will please publish the above twice a week for two months, and forward the bill to E. Rousseau Secretary of the Board of Public Works.

DENTISTRY.—By a new method at one sitting Dr Achilles Lion, Dentist of the Faculty of Paris, inserts in from one to six artificial incorruptible teeth which he guarantees for ten years. The guarantee is limited to the six front teeth of the upper jaw—the others being inserted in the usual manner.

Dr. A. Lion has but one office in the city, No 106 Royal street, between Bienville and St. Louis and Conti streets, where he may be seen every day.

COUGH REMEDY.—Pectoral Paste of Bogueniah, 8 rue Gist at Paris.—Of all the remedies now known for the cure of coughs, none has ever obtained so much celebrity as the Pectoral Paste of real Iceland Moss. The many results obtained by its usage in the affections of the lungs and chest are positive, have rendered it invaluable.

This paste has the power of calming irritations of the lungs immediately, facilitates the expectoration, and stops the cough. It is one of the best remedies in colds, catarrhs, &c., which yield immediately to its use. The Parisians of the best standing in Paris have tested its effects in cases of cure, and have recommended its use in all lung affections, and as we of consumption as the best remedy known for it.

The above remedy can be obtained at M. Martin's, Drug-gist, 171, Chartres st.
